ICATION

## VERY REVEREND JOHN L. SEARY, O. S. A.

It is fitting that we Seniors dedicate this 1956 MONARCH to our Rector, Father Seary. We are confident that all the faculty, students, alumni, and friends of Mendel join us in this tribute.

We first knew Father Seary as our rector but before long we learned to esteem him as a devoted priest, a proficient teacher, a kind counsellor, and an understanding friend. Often charmed by his genial nature and sportive wit we have as often been inspired by his enthusiastic preaching of God's Word.

As first rector of Mendel, he has wisely guided the school to a place of eminence among educational institutions. As religious superior, he has always given the Augustinian Order and persons assisting him proper credit for Mendel's exceptional progress.

It is with proper pride that we dedicate this volume to you, Father Seary. These words of praise and gratitude are but faint echoes of our heartfelt prayers and hopes in your behalf. May God, whom you loyally serve, grant a full reward for your stewardship; and may He give you health and strength to continue many more years in the cause of Catholic Education.

# ORGANIZATIONS

KNIGHTS  
OF THE  
BLESSED SACRAMENT

We have never been in want for mass servers. Volunteers from all four classes have faithfully served their turn in the ceremonies of the sanctuary.

## SANCTUARY SOCIETY

Under the patient direction of Lou Richie, Gino Pacetti, and Ken Agrimonti the band and marching unit has progressed favorably.

## BAND

These smiling songmen have entertained at school functions and have managed to make their work enjoyable.

## GLEE CLUB

Guardians of our halls and keepers of free flowing traffic  
—they have seen their duty and have done it without much  
fanfare or glory.

## MONITORS

# SODALITY OF OUR MOTHER OF GOOD COUNSEL

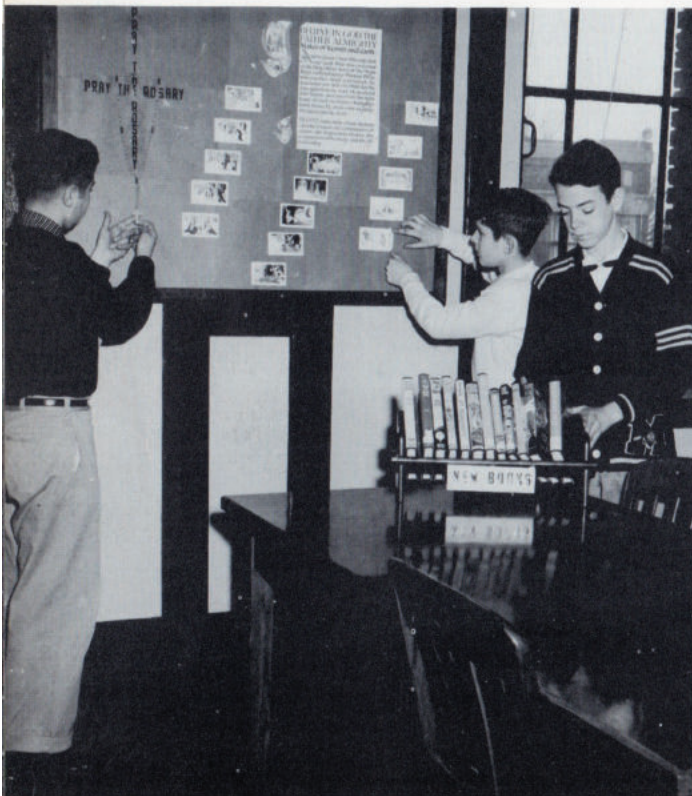

## BOOSTER CLUB

Cartoons and posters are used by the Booster Club to arouse student interest. The Library Club assists in the maintenance of our school library.

## LIBRARY CLUB

## PUBLIC SPEAKING

Future orators learn the fine points of logic and elocution.

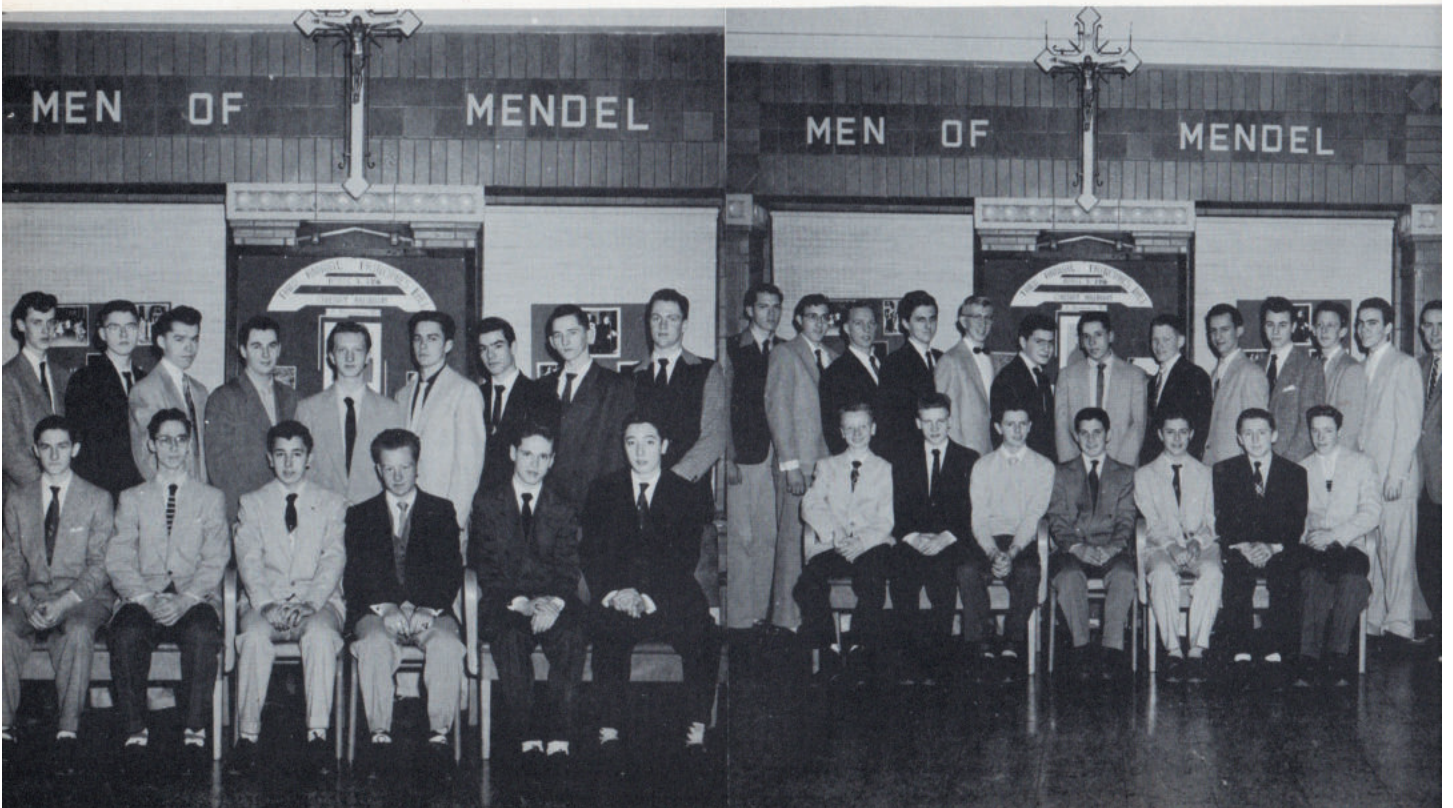

## DEBATE CLUB

The National Honor Society has chartered a chapter at Mendel. The seniors and juniors who will be initial members are pictured below. The first officers and moderator, Father Graham are pictured above.

## HONOR SOCIETY

The newly organized club aims at service to school and community. Kiwanians from Roseland sponsor the group in all its activities. First officers elected were: Joseph Kelly, Robert Zirretta and Brian Bertha.

## KEY CLUB

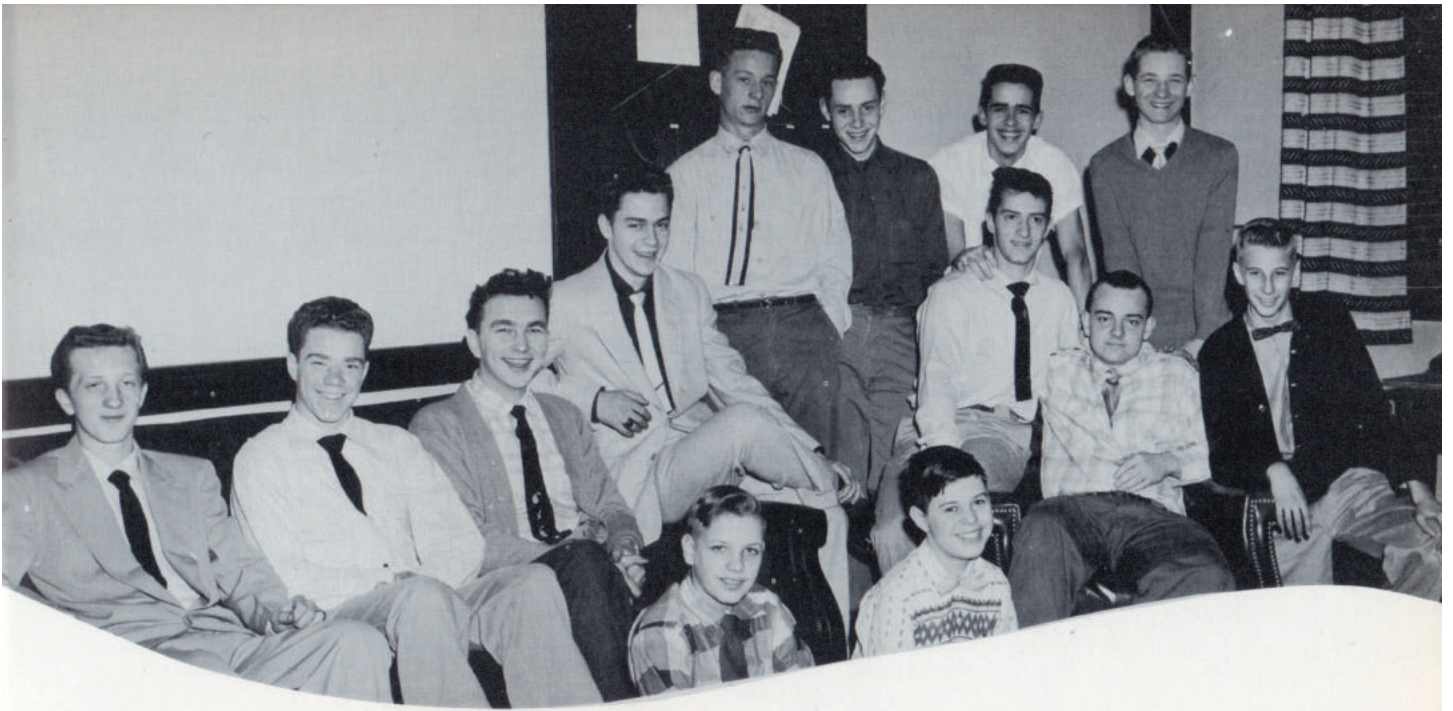

The Student Senate is composed of representatives from every section. This group grants charters to all student organizations and channels all student activity.

## STUDENT SENATE

This year's group of actors hopes to continue the initial success of Mendel's dramatic presentations. Below, Mike Kuzniewski, an alumnus attending the Art Institute, gives directions to the stage crew in preparation for the "GORILLA" set.

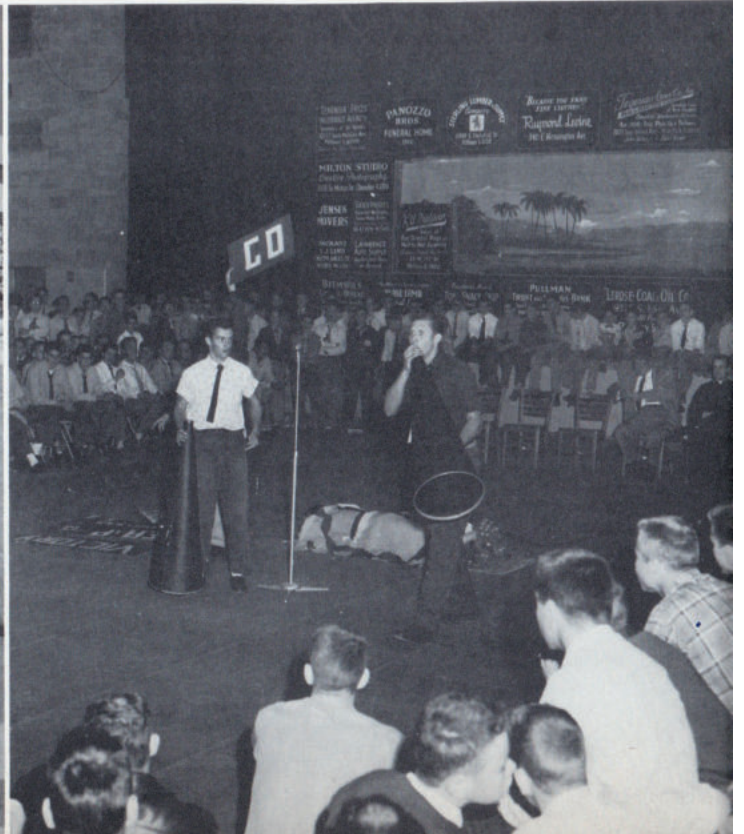

## DRAMATIC CLUB

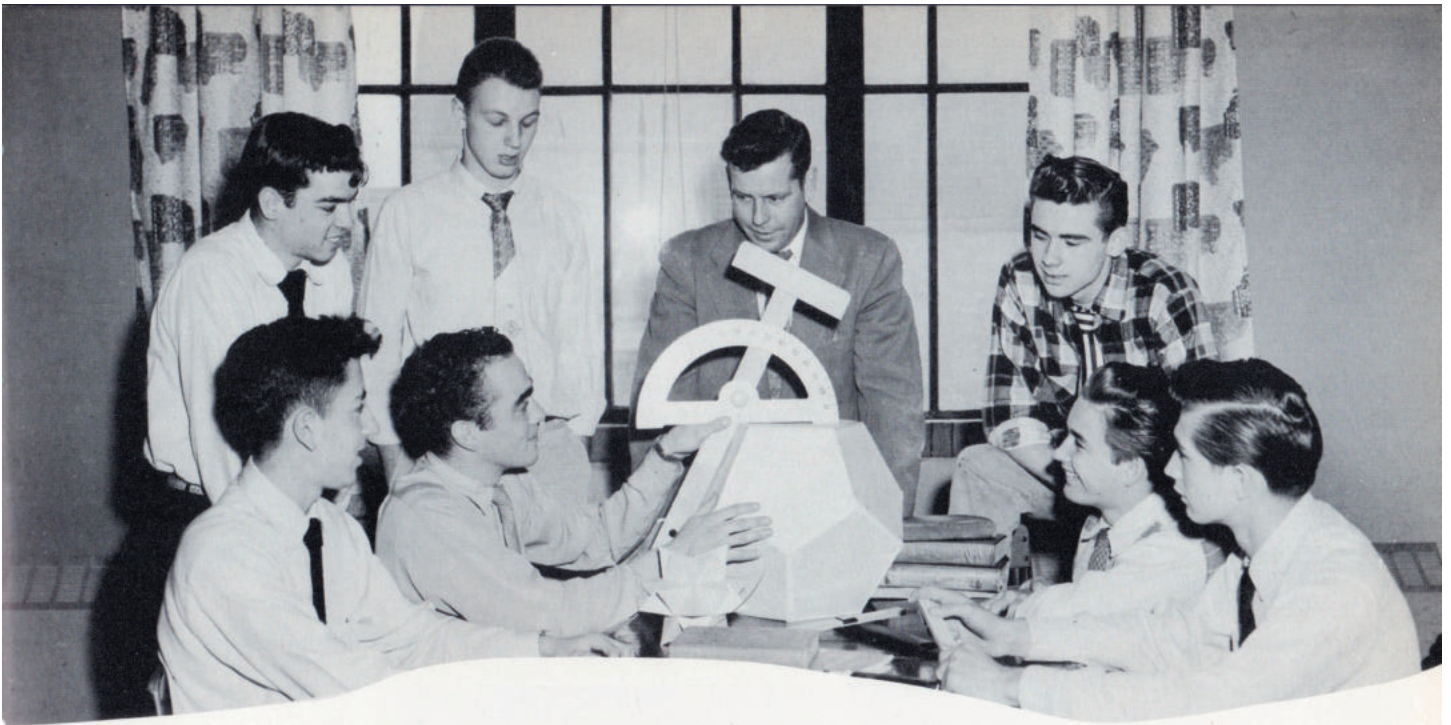

These Mendelmen were in the fore of everything done by Mendel this year. They were able to pass on their pep and zip to all the student body at rally and they could rouse rooters at a game.

## PEP CLUB

## MATH CLUB

Jawohl! It figures! Math and German Clubs at Mendel. One to encourage students in higher Math and the other to offer opportunities in conversation.

## GERMAN CLUB

Our keglers have one of the most active clubs in the school. They have consistently demonstrated how teen agers can enjoy themselves as true sportsmen.

The 1956 MONARCH, a deviation from the premier ARIL with its written theme and historical presentation, offers the Mendelmen an opportunity to contrast two types. This year's book, smaller in size, with a new title and cover design, presents a pictorial theme with accent on the student body. Under the leadership of co-editors Richard Guetzlaff and James Geil, the staff has labored painstakingly to offer the student body a pleasing publication. The staff is particularly proud of the artistic design and layout work so ably done by Joseph Rohaly.

## MONARCH STAFF

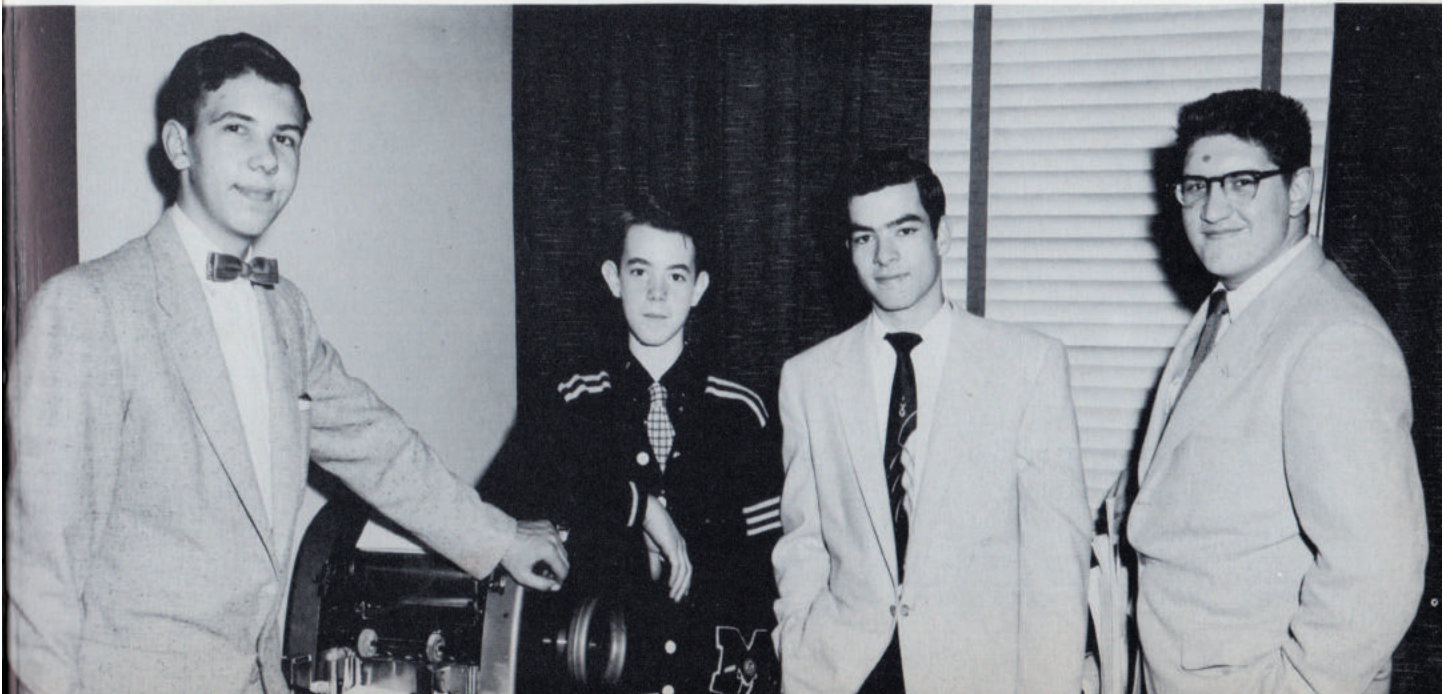

## MONARCH STAFF

The Mendelian this year took on a new format as a school pictorial. The students pictured below are responsible for the success of the new venture. John Klasey, Robert Ivano, Robert Zimmerman (Editor) and Robert Felice.

## MENDELIAN STAFF

W9UVQ has put Mendel on the airways and has been a treat for amateur radio "hams" in our midst.

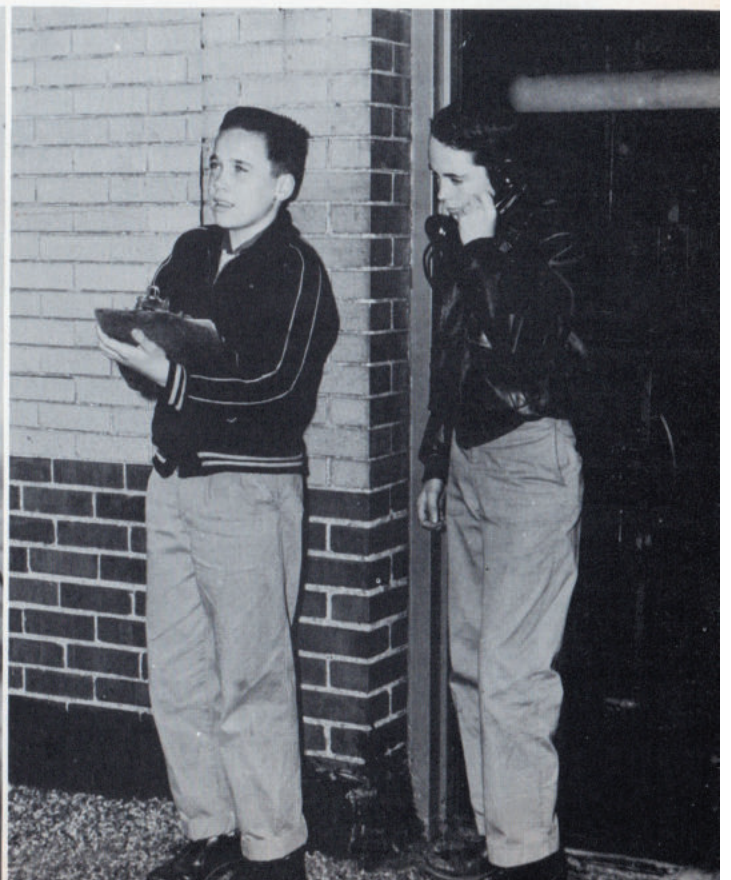

## RADIO CLUB

The Ground Observer Club makes Mendel unique among high schools in the Midwest area. Through this club boys become eligible to join the ranks of the Civil Air Defense. Under adult guidance and instruction the members learn how to serve at observer posts and how to qualify as observers.

## St. Ignatius

In the first practice game of the season Mendel showed considerable promise by leading the Wolves through three quarters, only to be edged out by the score of 8-7.

## St. Catherine

Mendel traveled to Racine, Wisconsin, to engage St. Catherine. The Monarchs seemed strong, but came apart at the seams when St. Catherine started an air attack.

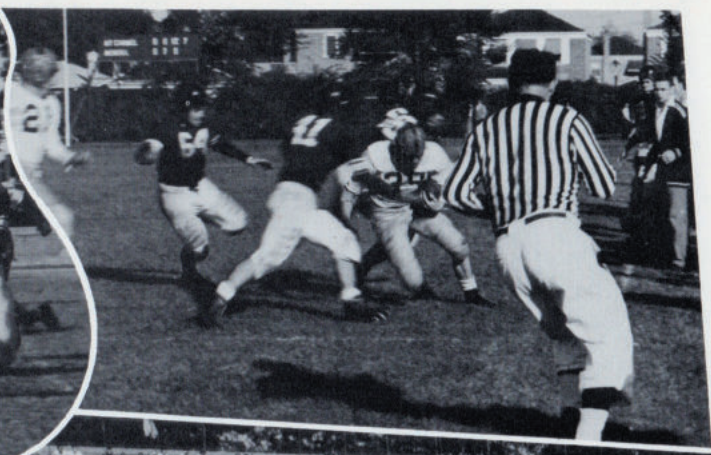

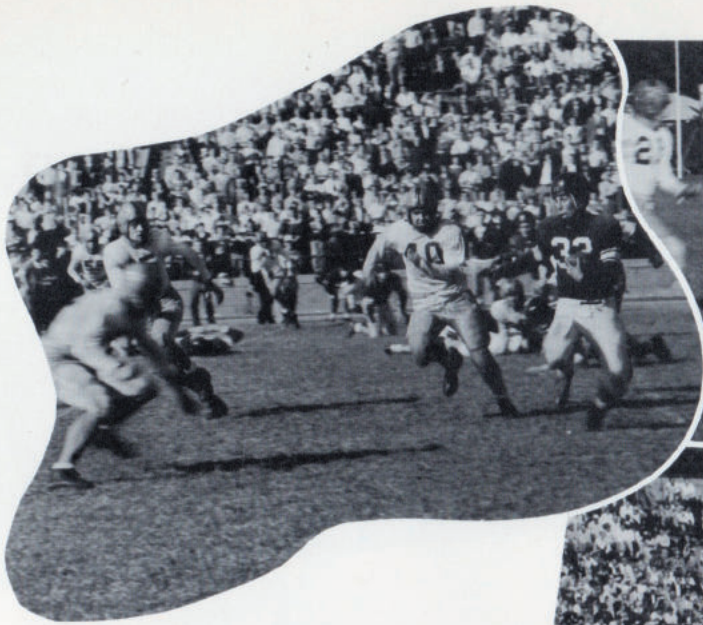

The Monarchs gained much experience, although they lost 18-13.

## De La Salle

This was a day—the opening of league play for the Monarchs! It also marked the last appearance of Angel Solis, who started things humming in the second-half by recovering a Meteor fumble. Aurelio, on a sensational 82 yard run, scored for Mendel. The Monarchs won with the help of McCarthy, Post, Mantoan, and Sabal, 33-0.

## Mt. Carmel

In the first half it looked like Mendel could make it two in a row over Carmel, but the Caravan roared back to score two quick TD's which took the steam out of the Monarchs. Another score gave Mt. Carmel a 19-7 victory.

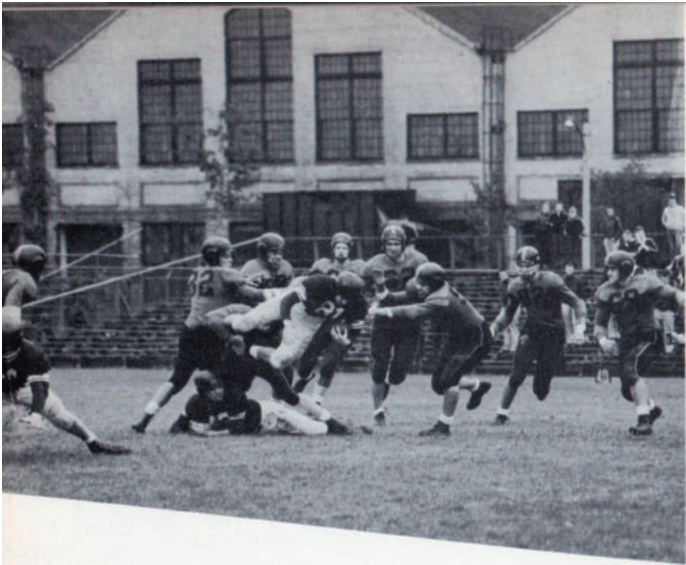

## Fenwick

The Monarchs received their second setback in three starts of league competition. The first sign of trouble came when the Friars left half-back found a hole and streaked 33 yards to score. In the second-half, Kantor threw 30 yards to Bohan for a touchdown, but the Friars came right back to score three more touchdowns and wrap up the game for Fenwick, 26-6.

Dave  
O'Connell

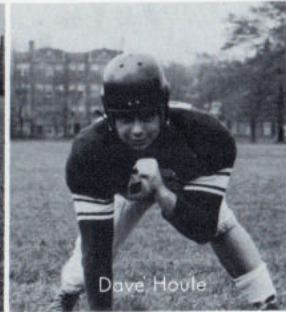

## Leo

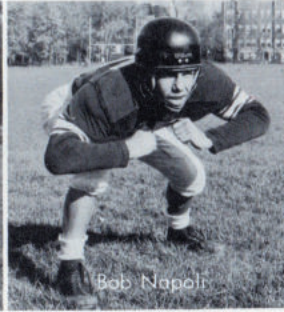

Steve Zoll made this a thrilling game by rifling a pass in the opening quarter to Curley on the two yard line, who scored for Mendel. Al Sabal made the conversion. Leo scored in the 4th quarter, and with four minutes left to play Zoll passed to Cassidy on the 16 yard line, who romped over to put Mendel ahead and win, 13-7.

## St. Elizabeth

The Monarchs had things in complete control registering a triumph. It was Hal Post who scored first.

Five touchdowns later the Monarchs won 44-0.

## St. Rita

The Mendel Monarchs climaxed the Homecoming-weekend with a victory over St. Rita. The Mustangs drew first blood, but the Monarchs, scoring off a double-wing formation and Sabal's conversions, took the lead. Murphy's score on a blocked kick, plus two more touchdowns, gave Mendel the game and a place in the league play-offs, Mendel winning 26-6.

## St. George

Mendel took another step towards "City" when they traveled to Soldier Field to engage St. George.

The first quarter seemed promising until George broke up the game, winning 38-6.

THE STAFF EXPRESSES DEEPEST APPRECIATION TO MILTON STUDIO FOR MAGNIFICENT PHOTOGRAPHIC WORK.

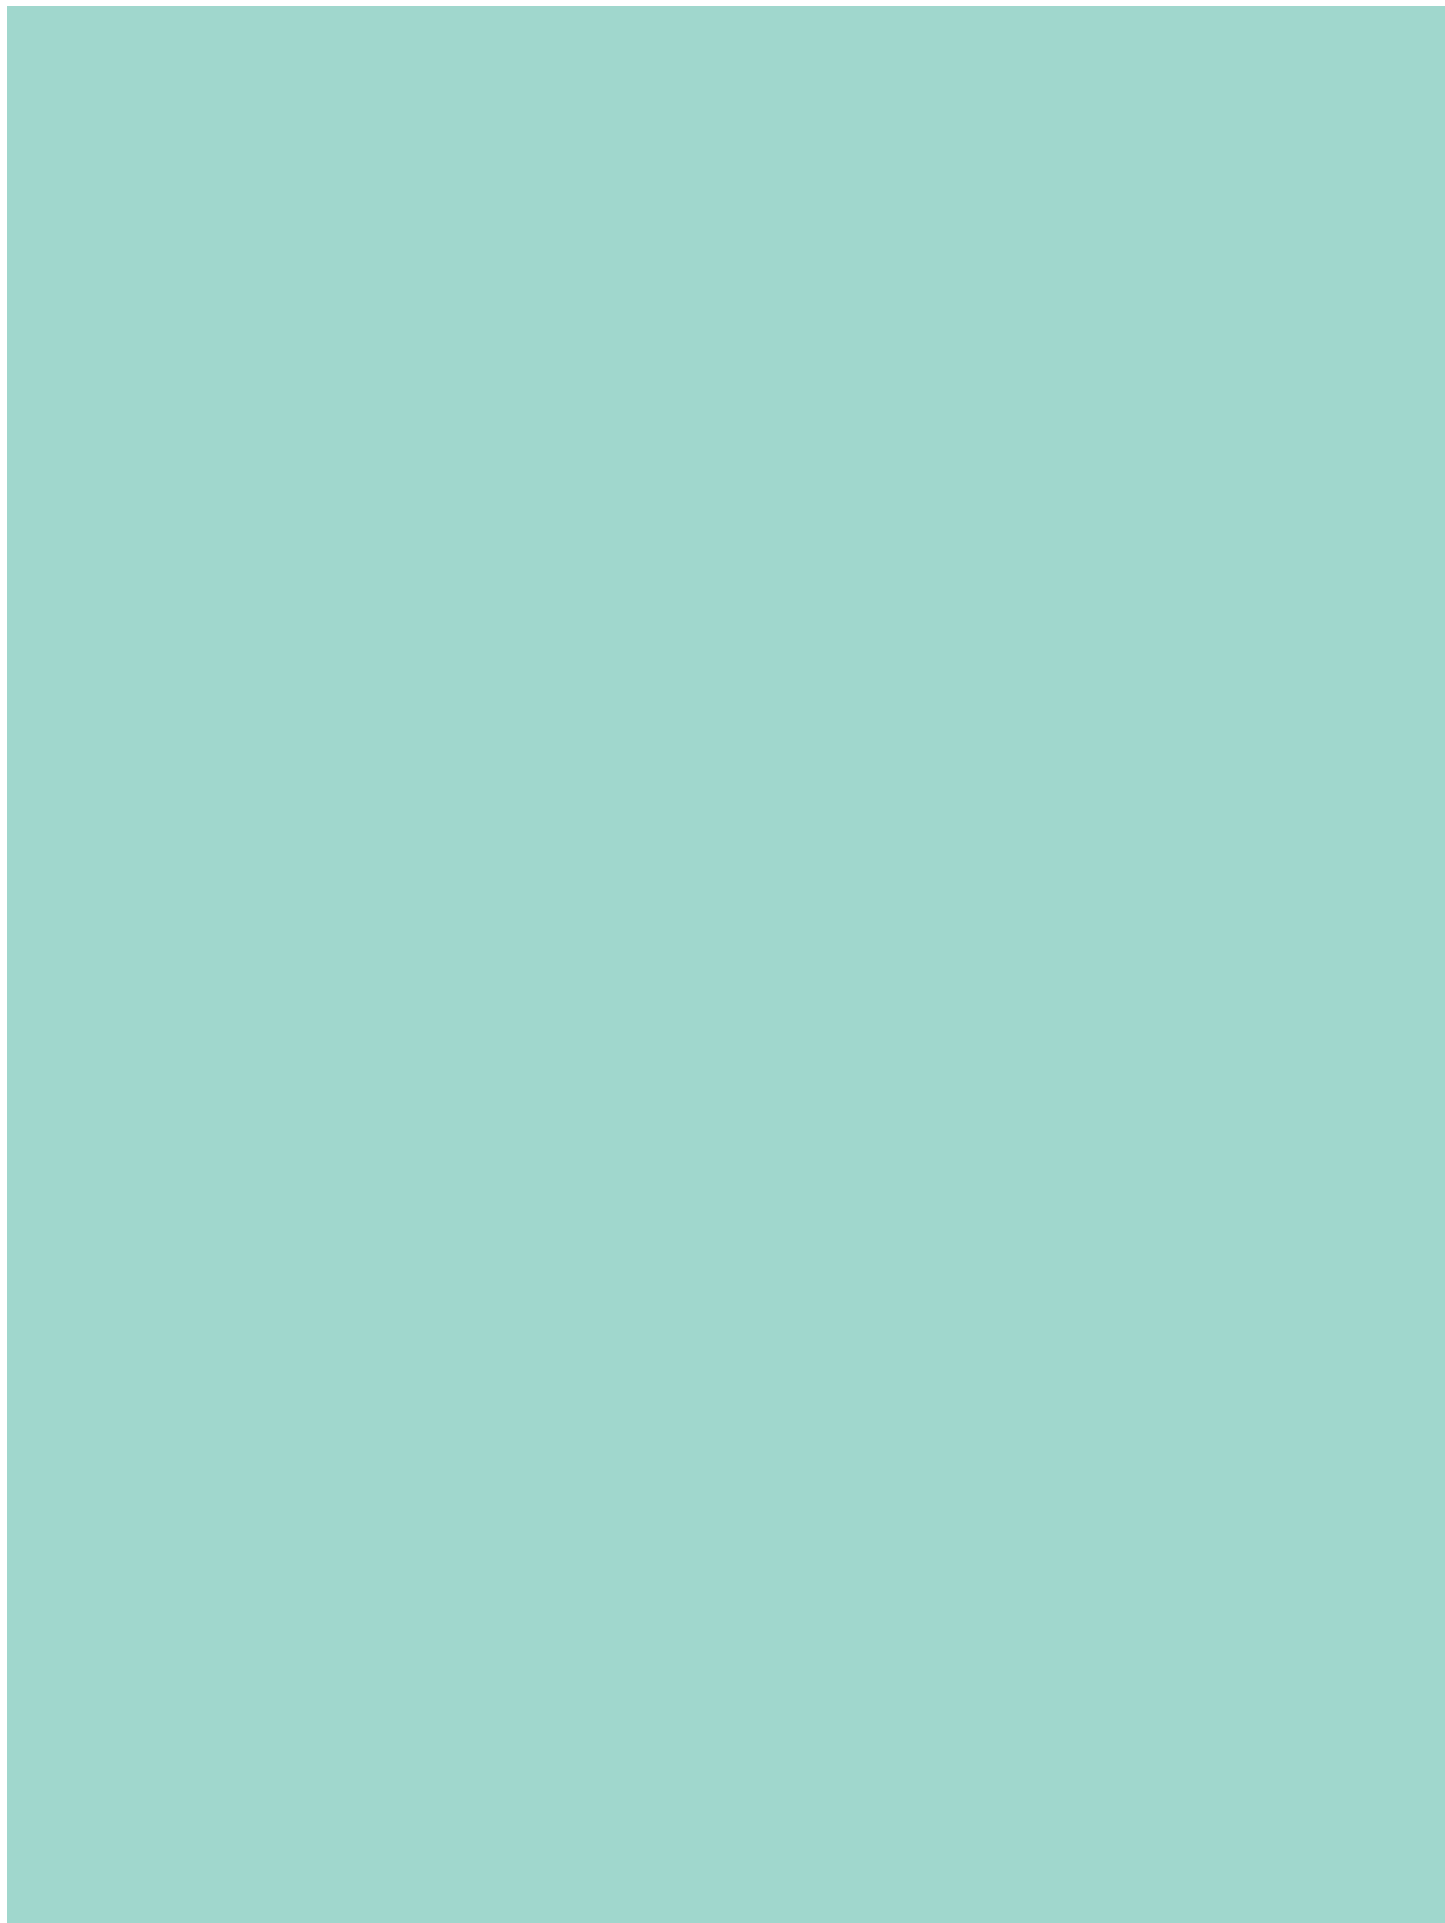

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every sale, purchase, and payment must be properly documented to ensure the integrity of the financial statements. This includes recording the date, amount, and purpose of each transaction.

Secondly, the document highlights the need for regular reconciliation of bank accounts. By comparing the company's records with the bank statements, any discrepancies can be identified and corrected promptly. This process helps to prevent errors and ensures that the cash balance is always up-to-date.

Another key aspect is the proper classification of expenses. It is crucial to distinguish between personal and business expenses to avoid any tax implications. Business expenses should be clearly identified and supported by receipts or invoices.

The document also addresses the importance of timely payment of bills and taxes. Delaying payments can lead to penalties and interest charges, which can significantly impact the company's cash flow. Therefore, it is recommended to establish a schedule for reviewing and paying all obligations.

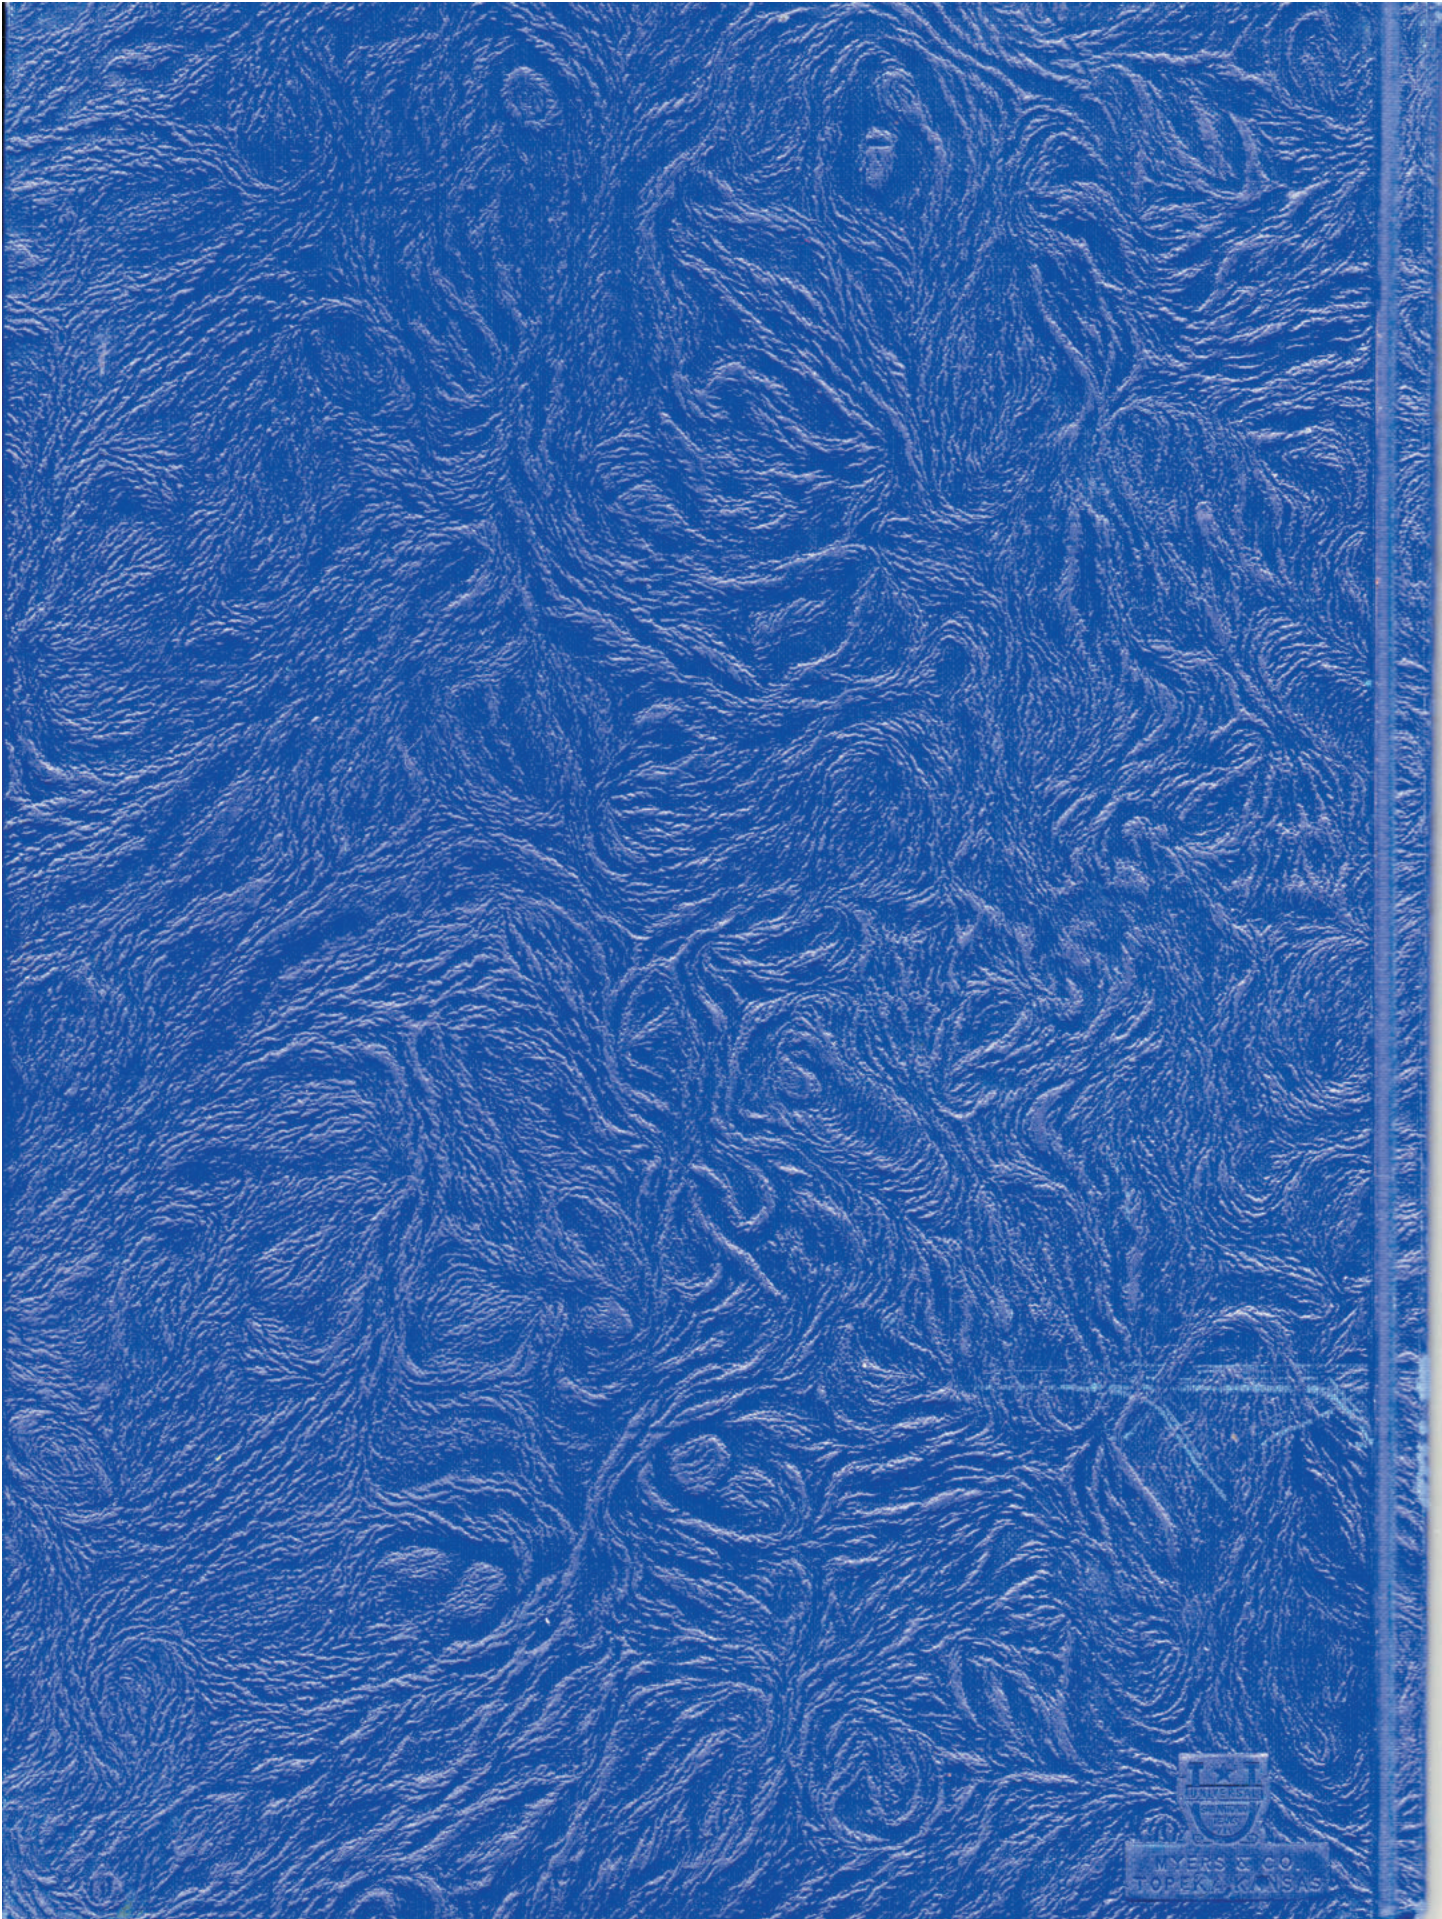

Finally, the document stresses the value of seeking professional advice. A qualified accountant or tax advisor can provide valuable insights and ensure that the company's financial practices are in full compliance with the law. This is particularly important for complex transactions or when dealing with specific tax regulations.
