A TOUCH OF

CLASS

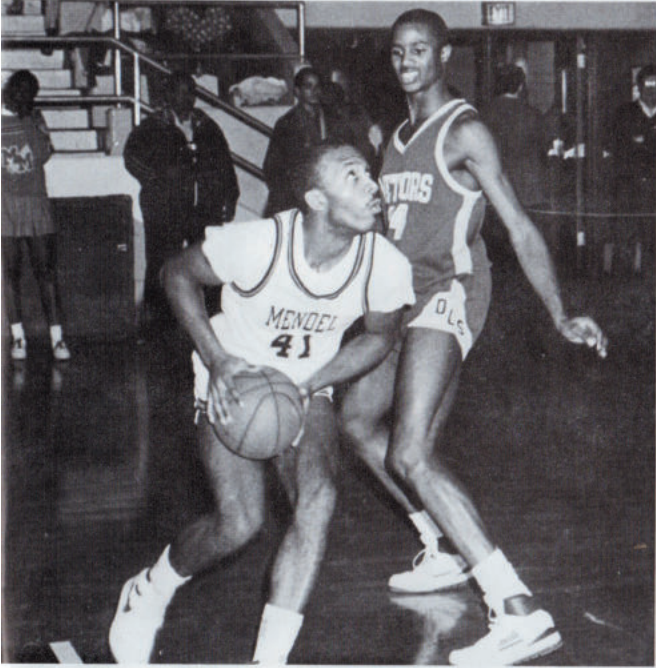

The first part of the document discusses the importance of maintaining accurate records in a business setting. It highlights how proper record-keeping can help in identifying trends, making informed decisions, and ensuring compliance with various regulations. The text emphasizes that records should be organized systematically and stored securely to prevent loss or damage.

Next, the document addresses the challenges of data management in the digital age. With the increasing volume of data generated by businesses, it becomes crucial to have robust systems in place for data storage, retrieval, and security. The author suggests investing in reliable hardware and software solutions to manage this data effectively.

The third section focuses on the role of technology in streamlining business operations. It explores how automation and digital tools can reduce manual errors, save time, and improve overall efficiency. Examples of such technologies include accounting software, project management tools, and customer relationship management systems.

Finally, the document concludes by stressing the importance of regular audits and reviews. By periodically checking records and systems, businesses can identify potential issues early on and take corrective actions. This proactive approach helps in maintaining the integrity and accuracy of the organization's data and operations.

# A TOUCH OF CLASS

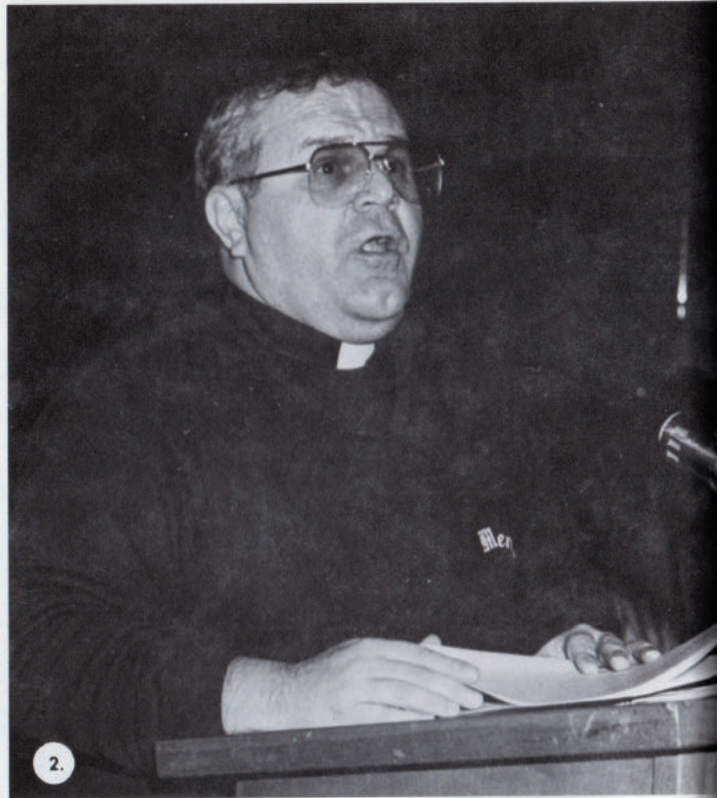

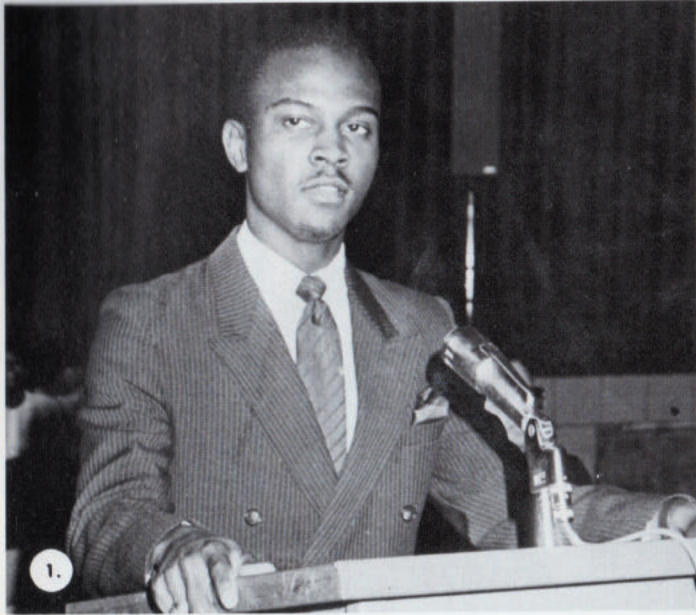

1. The Cheerleaders fully enjoy the rally.
2. The Gentlemen's Association perform a skit at an assembly.
3. Fr. Lew stands with Mendel's Illinois State Scholars.
4. Students enjoy the Spanish Honor Society's fiesta.
5. Mendel's Pom-Pom team and cheerleaders pose for the camera.
6. A Unity Choir singer entertains the students.
7. James Anderson provides the music for the Spanish fiesta.

# Dr. King Assembly

1. "I have a dream..." Darrell Bolton recites.  
2. Opening remarks by Fr. Edwardowski.  
3. St. Withered's choir sings with enthusiasm.

1. Ms. Ruth Merritt (center) and the Gentleman's Association  
2. Unity's choir leads Mendel in song.

"Dr. Martin Luther King Jr. struggled to make our society one of equal opportunity for all people. Dr. King stressed education as one of the chief weapons of their struggle. If Dr. King's dream is to become a reality, it is up to YOU to make the most of the educational opportunities with which you are presented."

Ms. Ruth D. Merritt

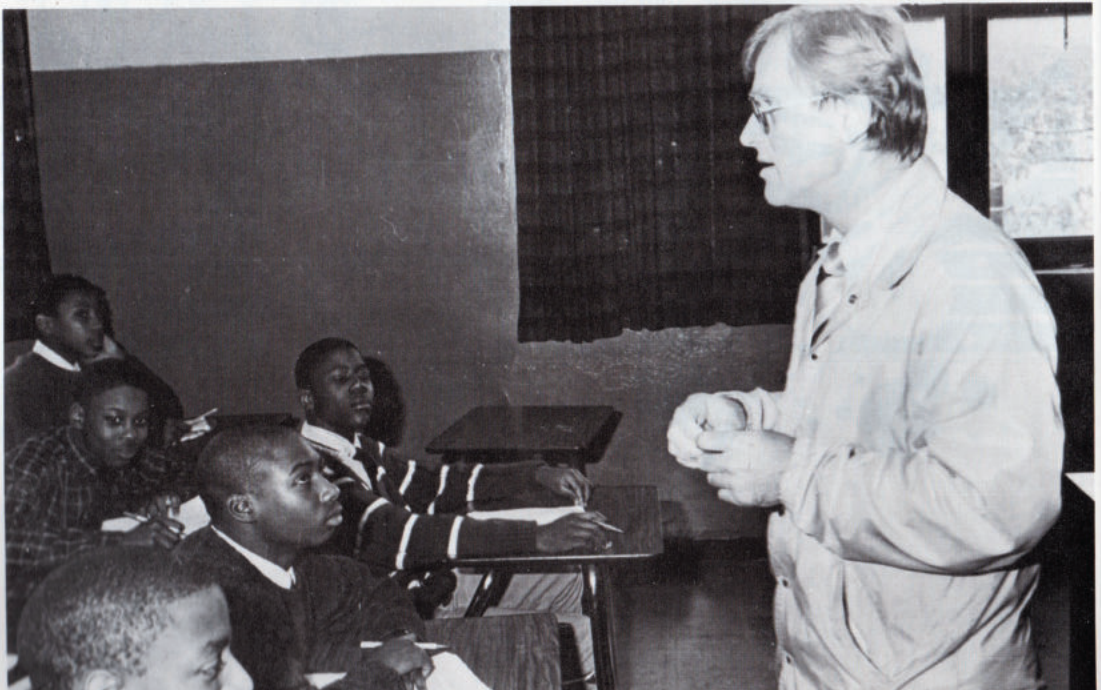

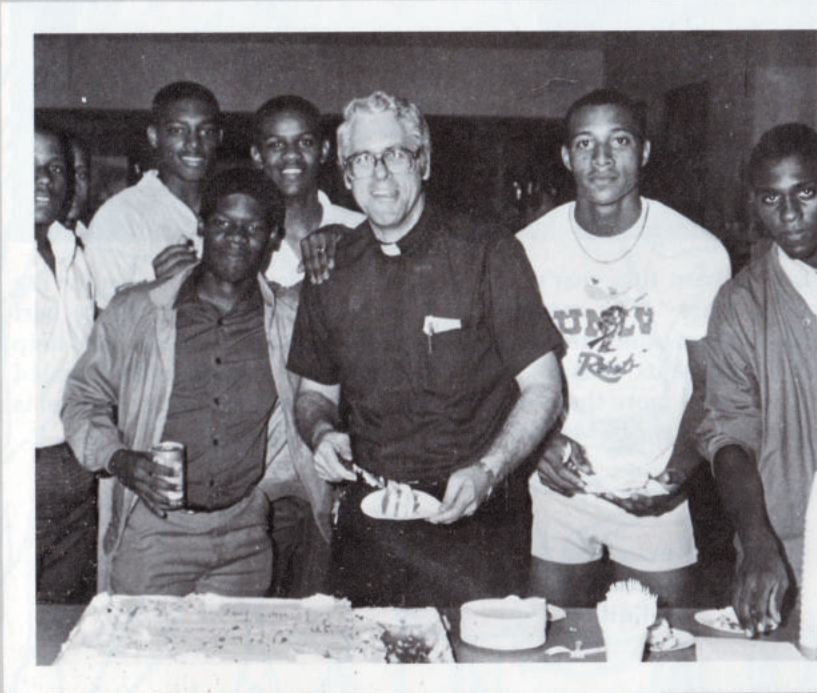

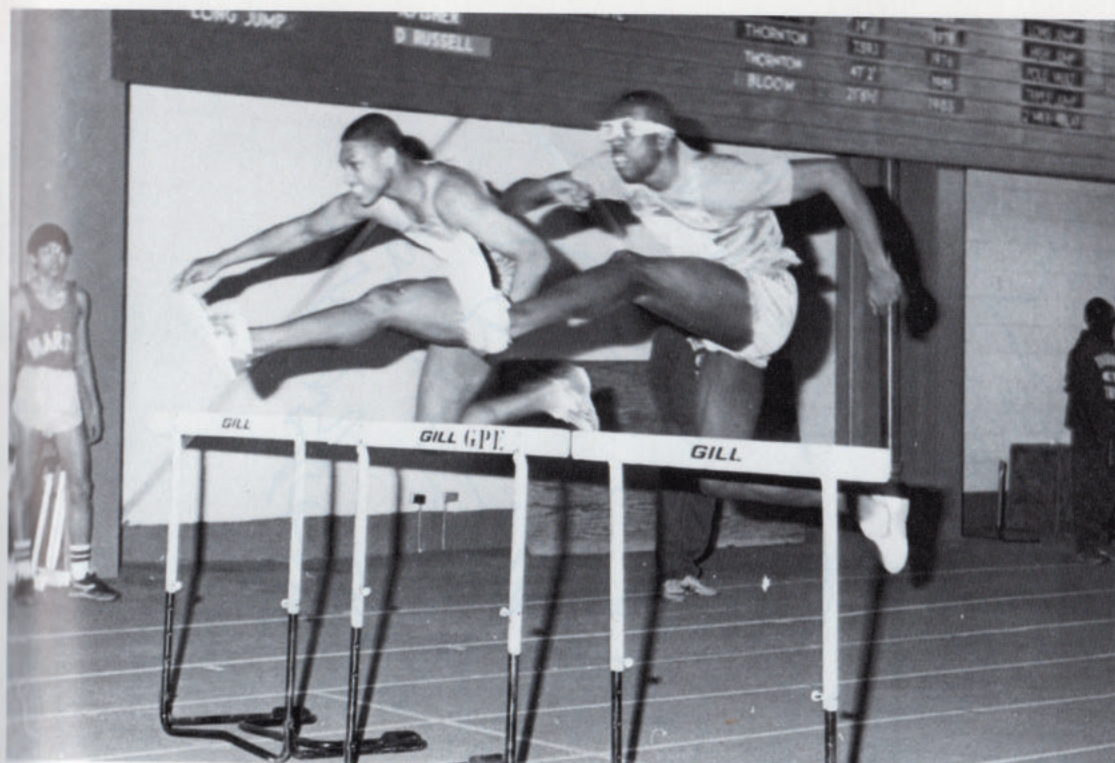

The Yearbook Staff is proud to present this year's edition of the Monarch. The theme for the 1986-87 Monarch is "A Touch of Class." The members of the staff felt that this phrase best describes our school. Mendel has students that work to achieve SUCCESS and teachers who help them reach their goals. Mendel has students who are more than students; they are well-rounded young men. Mendel has teachers who are more than teachers, they are people who care. Mendel is more than a school; Mendel is a family. In short, Mendel has "A Touch of Class."

Sincerely,

Kevin Mott

Dear Graduates of 1987,

During the past four years Mendel Catholic High School has been preparing you for college and to take the next step in life. Hopefully the preparation you have received at Mendel has given you that "Touch of Class" which will help you to succeed in life.

To explain how this "Touch of Class" will help you succeed, let me share with you my understanding of "Class."

Class never runs scared. It is surefooted and confident that it can handle whatever comes along.

Class never makes excuses. It takes its lumps and learns from past mistakes.

Class knows that good manners are nothing more than a series of little sacrifices.

Class can "walk with kings and keep its virtue and talk with crowds and keep the common touch." Everyone is comfortable with the person who has class because he is comfortable with himself.

As you leave Mendel, go with the best wishes and congratulations from the entire Mendel Family.

Sincerely yours in Christ,

As I reflect upon the past I think of my first year at Mendel. I think of the hard transition from grammar school to high school. I also remember the academic adjustments I had to make to fit into a fierce and competitive environment. I remember the discipline and most of all I remember the teachers who made my four years at Mendel challenging and enjoyable.

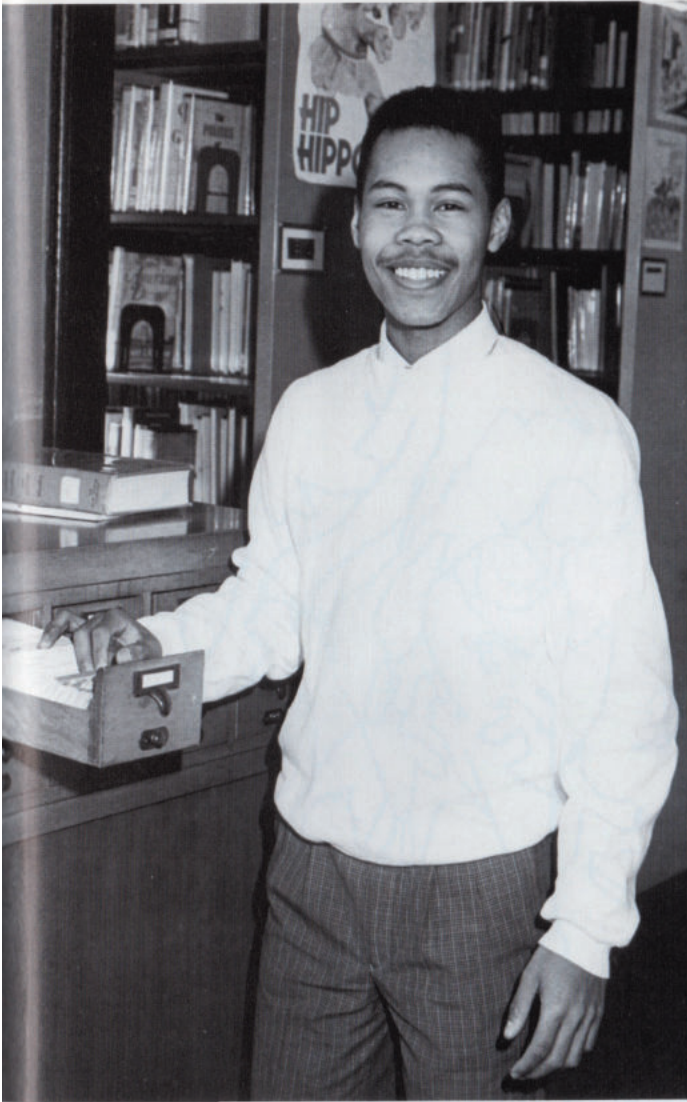

Now I look to the future. Graduation is May 17th and I look forward to the challenges that I will face in college. I thank Mendel for its academics, athletics, challenges and most important, for its positive learning environment which has made my four years at Mendel enjoyable.

As I think about my past years here at Mendel, there are many fond memories I will always have. There were good times and some challenges. Overall, Mendel has been a wonderful place for me to start my higher education. I will always have a place in heart for this great school. There is one thing I leave for the underclassmen and soon-to-be seniors: Follow in the footsteps of the class of 1987, the class with class.

Sincerely,

In the two years I have spent at Mendel, the curriculum has expanded my horizon. I have grown academically and socially. Through the various activities I have become a well rounded person. My participation in track and cross country have taught me how to win and lose with class. Also my involvement with J.E.T.S. has helped me in realizing my aspirations as well as my potential.

The teachers, coaches, and administration have made my years at Mendel memorable. As I leave I understand that I not only leave behind a stepping stone for future classes, but I also leave friends and fond memories. I also leave behind a part of myself: A Touch of Class!!!

As I look back at my years at Mendel I remember the good and the bad times. I wish could have done more, I'm satisfied with what I have accomplished. I can remember freshman year and making the transition from grammar school to high school. I had to make new friends and establish new goals. It was difficult at first, to make the adjustment, but it was worth it. I am proud of what I have learned both in school and out. I am happy with what I have gained at Mendel and with what I am leaving with: A Touch of Class!!!
