# MENDEL CATHOLIC

Presents

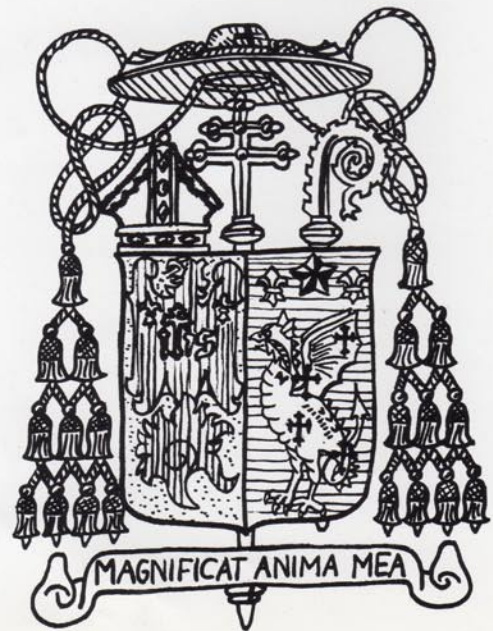

The ‘‘**MONARCH**’’

# The "Monarch" Proudly Salutes the New Archbishop of Chicago.

His Excellency  
John Patrick Cody  
Archbishop of Chicago

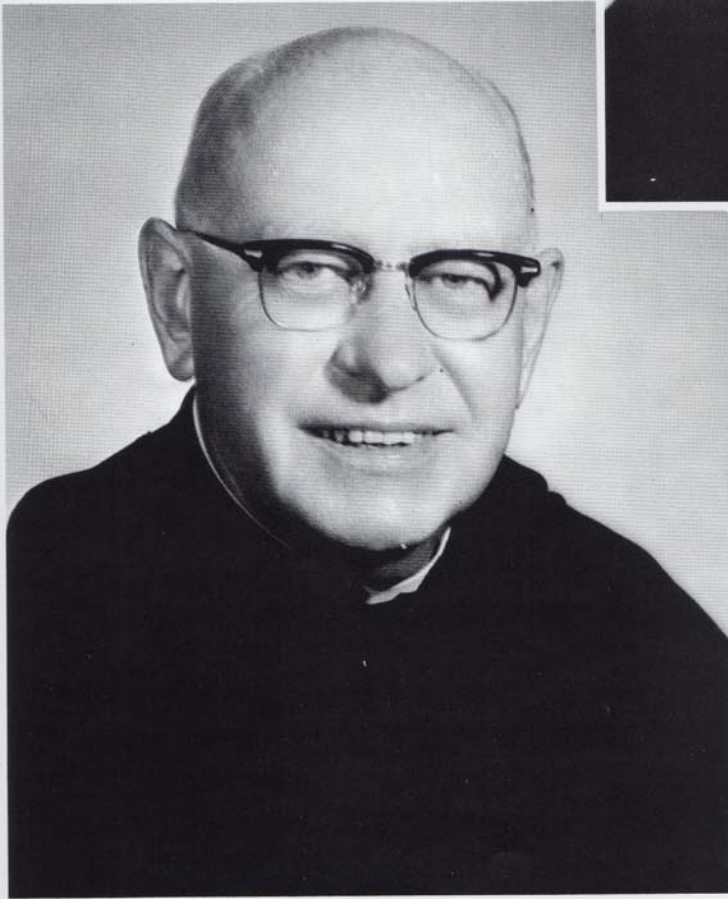

# Provincial

Very Rev. Francis J. Cavanaugh, O.S.A.

Father Cavanaugh served Mendel High School as its Principal during the years 1956 through 1959. At present he is the Provincial of the Midwest Province of the Augustinian Order, but even in the midst of his numerous activities he retains a deep interest in the school he directed a few years ago.

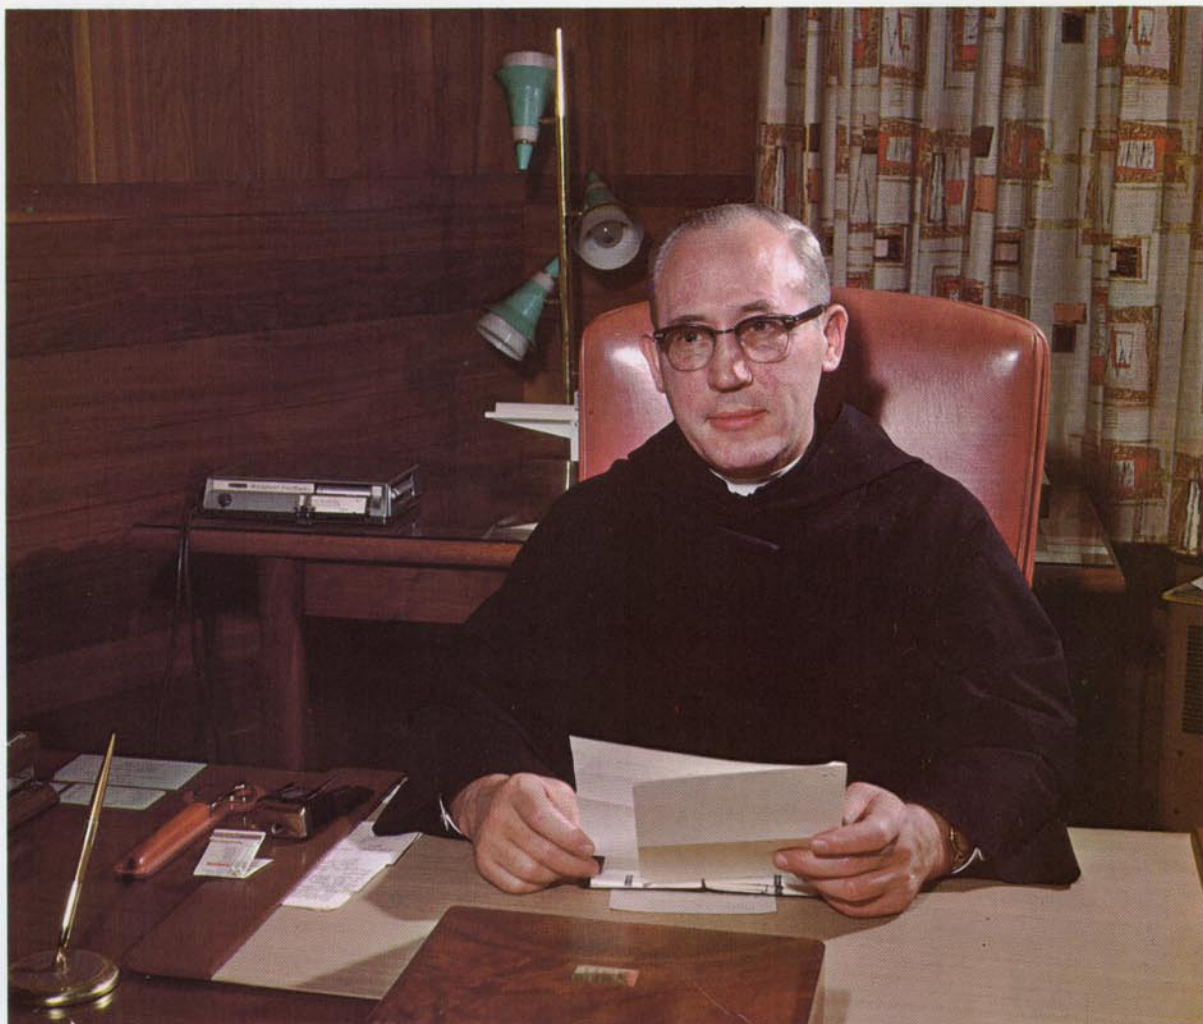

Very Rev. John L. Seary, O.S.A.

The Superior of the Religious community of Augustinians here at Mendel is a man who deserves the title "Mr. Mendel". Father John Seary, the founding Principal of the school in 1951, has alone done more than any other one man. Even at present he still finds time to work in the school, heading the religion department, teaching, serving as advisor in his position as Vice-Principal, and moderating the Mendel Alumni Association.

# Prior

# O r P r i n c i p a l

Rev. Daniel J. Hartigan, O.S.A.

When Mendel opened its doors for the first time in September of 1950, Father Daniel Hartigan was a member of its faculty. For ten years he helped develop the school into a respected institution of learning of the Augustinian Order. Father was transferred from Mendel in 1961. He took a place on the faculty of Tolentine College, but worked at the same time to complete his thesis for a Doctoral degree in Education from Loyola University. During this absence from Mendel, Father was also appointed Superintendent of the Augustinian Secondary Schools in the Midwest, a position he still holds. Two years ago he returned to the school he had helped to found as its well-qualified Principal.

*"Move my faint heart with grief, but with delight"*

This February, for the first time, the savage reality of war came to Mendel. One of our Mendel men, PFC William C. Geis was killed during a helicopter mission in Viet Nam. At the news of Bill Geis' death, Mendel was silenced with sadness. In our grief, however, we were confronted by a strange delight. Bill Geis was not an ordinary young man for he made an unusual sacrifice. Already with our Armed Forces in Europe, Bill Geis volunteered for Viet Nam. For Bill, volunteering was nothing heroic. He did not feel that a married man or father should go when he could go a young man with no ties. A father or husband might leave someone alone to this world. Bill Geis would not likely admit it because for him it was an ordinary thing, but he exhibited an unselfishness and concern for others that often seems lost in this self-interested world. We hope that the students at Mendel find example in his selflessness. Those of us who are a part of Mendel are proud that we have shared a small part in the brief life of this young man. We pray that in our own small way, we might have helped to instill this selflessness which is the strength of our Church and Country.

P.F.C. WM. GEIS, Mendel Graduate

# THE MENDEL WAY — or — From Here To Memory

This page is dedicated to preserving for posterity the spirit of the REAL Mendel.

What evaluation of Mendel?

Missions, tuitions or transcripts?

The raffle scene, or behind it.

I hope all the hamburgers aren't that bad!

# Organizations

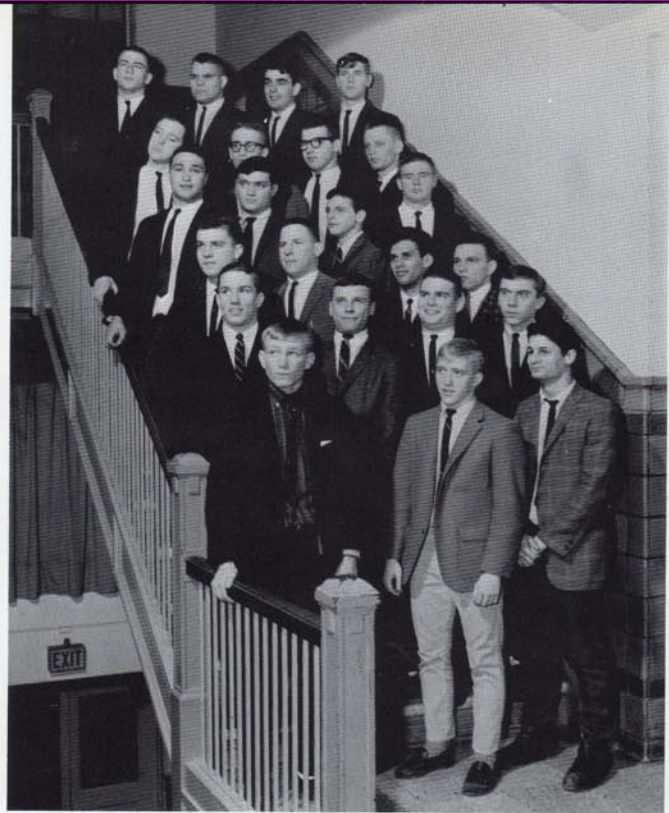

# Mendel Student Senate:

Training students in responsible leadership is one of the main objectives of any school. The Mendel Student Senate provides a valuable pipeline of ideas and criticisms between the administration and the student body. Their contribution is invaluable in extending the ideals of Mendel to every facet of student life.

# National Honor Society:

Character, Scholarship, Leadership and Service—these four qualities mark the men of the National Honor Society, that select group of Mendel Men who truly exemplify the school's tradition of excellence. The blue blazer bearing the insignia of the society which the school has provided for them is only a physical symbol of the esteem and honor these real Monarchs deserve for their academic achievements, personal attributes, and the innumerable services they have performed for Mendel. They are our best—truly deserving of the many honors bestowed on them by the school and their fellow students.

# Mendel Debate Team:

Blazing new frontiers, Mendel's Championship Debate Team swamped all competition in the City Championship, National Grand, Georgetown, Fordham University, and University of Detroit Tournaments. Bringing laurels to the school, their work is a great tribute to their efforts and the efforts of their coach, Mr. Harold Ross.

## Sanctuary Society:

In the last analysis, it is the development of a deep and meaningful love of God that is the real purpose of a Catholic education. In this respect, these men are true Monarchs. By serving God at Mass, and by bringing greater meaning to the new liturgy, these Mendel Men bring to the school and their fellow students a greater appreciation of God and His mercy that is ours only for the asking. It is their success in these efforts that makes them true servants of God and real Monarchs.

Mendel men serve God through Mass and Holy Communion.

# Key Club:

Service is the key word of this organization—service to the school and service to the community. In cooperation with the Roseland Kiwanis Club, they participated in such noteworthy activities as the Kids' day peanut sale, the canned food drive, the annual car wash, and the Homecoming dunk-a-roo(?). Its services have gained the respect of the Roseland community and has marked these Monarchs as truly outstanding citizens,

# The Mendel Chorus

Any history of the Mendel Music Department has to be in capsule form . . . . No organization in the school packs more into an already confined school year than the Music Department. They started back when the eager Freshmen joined the upperclassmen. The groups were drilled and drilled—vocal scales and endless marching practices—then followed the numberless engagements. The novel formations and crowd-pleasing tactics of the Band were a hit at the football games. Plaudits grew and grew for the Chorus at school and parish programs. From the gridiron to the basketball court, the Band continued to thrill spectators at the Mendel-Rita, Kiwanis Wheelchair, DePaul U.-Providence U., and the Catholic League All-Star basketball games. Roseland and Chicago parades also filled the schedule. The Band and Chorus combined their talents to bring a high quality of entertainment to the Mendel Open House, Spring Music Festival, Honor's Night and Graduation Programs.

Behind this success story is one outstanding fact—"HARD WORK". It begins with the Moderator, Father Bernard McConville, O.S.A., and his assistant, Father John Kret, O.S.A. It goes on with the hard working Chorus Director—Father David Brecht, O.S.A.; the tireless Band Director—Gino Pacetti; the indispensable Associate Band Director—Dominic Piane; the very valuable Assistant Band Director—Howard Risatti; The loyal Patricia Pacetti, Irene Smith and their "MENDELETTES"; the ever helpful Parents. Finally, at the bottom, are the hardest "WORKERS"—the Band and Chorus Members spear-headed by the Officers and Seniors.

Even though the Band was only the runner-up in the Walt Disney National Marching Band Contest, we say this about our Music Department—"They are the best in the land!"

# The Mendelian

Bringing back some old favorites (*Offbeat*), and spicing up the other sludge columns (*The Morgue*, *Ye Olde Suggestion Box*), this year's student newspaper proved to be a delight to the student body and a bane to the administration. During every student event (poker games, etc.), the *Mendelian* was there reporting with its own special flavor. Its pages will provide an accurate and amusing insight into this year's student life for many classes yet to come.

"The Catholic Church must lead the way, or else Communism will triumph." With these words of Msgr. John C. McNabb, former rector of Mendel, as their guide, members of the Mission Club, both representatives and card-holding members (nearly 1000 strong), sacrifice unselfishly to spread the word of God in the Augustinian mission territories in Japan and Chulucanas, Peru. Their weekly sacrifices, especially those of the seniors, provide an aspect of total Catholic education which cannot be provided in the classroom.

#### RUNDOWN

The Monarchs, under new supervision, routed the DePaul Demons in a 36-0 trouncing. Tim Lewis rambled 73 yards and Hogan raced 26 yards with a Lis toss to break things wide open. Hogan slammed 6 yards for his second TD and Jim Arvia snared two errant passes and converted them into six pointers to close the scoring.

Steffano and Walsh galloped for two Carmel tallies before the stunned Monarchs knew what happened. Joe Sullivan crossed paydirt for the only Mendel tally.

#### RUNDOWN

The winning road opened few times in '65, but when it did it swung wide. The Monarchs tripped the Hale Spartans, 30-14, in one of their biggest wins of the season. Hogan tallied for three TD's and Lewis for one as the powerful offense exploded for the second Mendel victory.

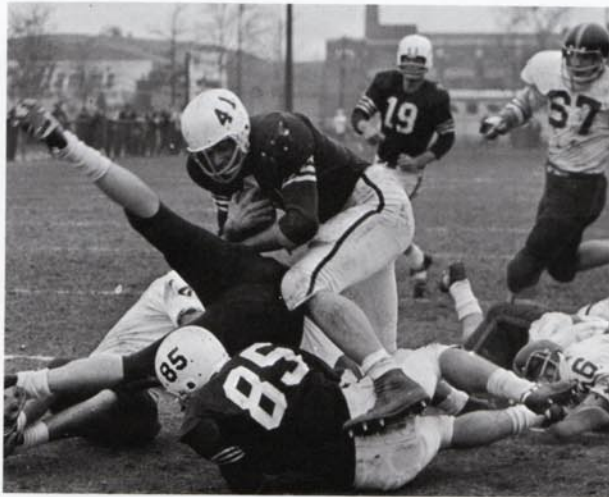

Tim Lewis digs out with a Lis bomb securely tucked away.

Don't tackle me, Sue is here today, watching me.

There! Now do you believe me they're size 18.

### RUNDOWN

Now do you believe that they're Fruit of the Loom.

The powerful wrestlers made quick work of the CVS Cavaliers as they bounced them twice, 45-3, 24-17. The Public League Team champs found our city titlists too rough to contend with, as did 13 other schools.

The soaring 40 point average per meet was exceeded by three as the Monarchs caged the Leo Lions, 43-7. The rampaging Blue and White swept every class but heavy-weight in one of their easier meets of the season.

Your hands are cold!!!

D. Hinchey pulls a slip over as he readies his Leo foe for the final pin.

Coach Guida's squad found the tournament trail to be easily trampled, as they knocked off the Leo Invitational with a remarkable 119 points, and went on to win the Mike Murphy Tournament with 121 points.

Now just a minute and we'll have that slipped disk in place again.

Blake has to contend with a Father Hayes type of wrestler.

The '66 Monarch mound staff will be one of the best balanced in the league.

The veteran infield promises to be a hard-hitting and sure-handed squad.

Our fleet-footed trio that roams the outfield.

Bill Windauer heaves the shot in perfect form.

T. Tomaszewski prepares for his cross country jaunt.

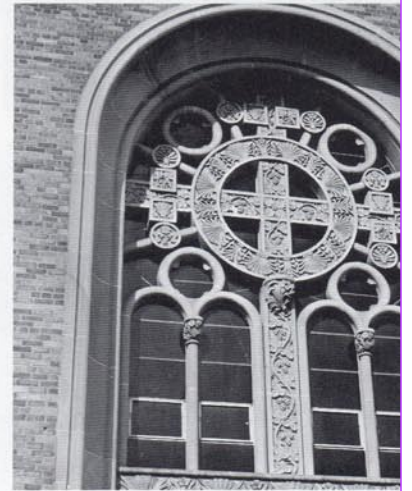

Our city titlists in cross country engage in a workout to be able to hold the throne again.

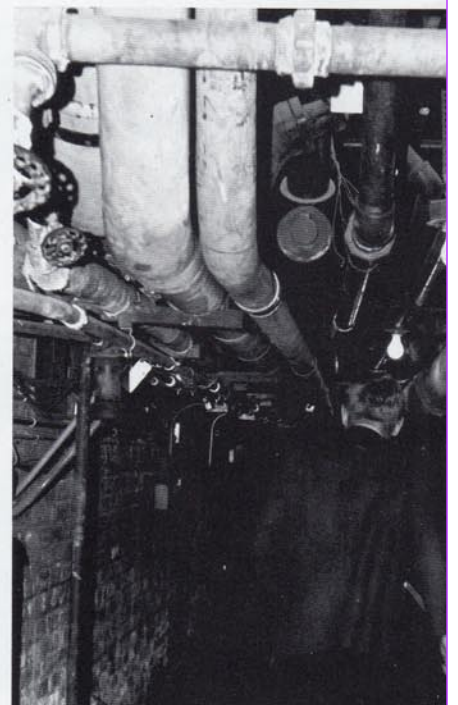

But Mr. Phillips showed me this in ballet class.

Friday Night

# Benny March

The Homecoming is the highlight of the school year. This year was no exception as Monarchs past and present gathered to gossip and renew old acquaintances. Even the outcome of the football game did not manage to dampen the jovial spirit of the loyal Mendel men and alumni.

Unfortunately, things went well for Rita.

# Open House

Mr. Canonigo recreates Spanish Christmas.

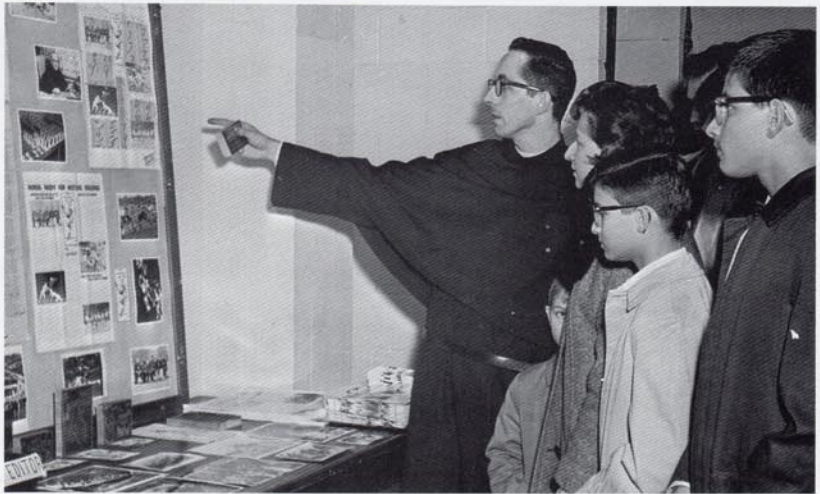

"Hold on Mike, your pabulum will be ready in a minute."

Hundreds of parents and prospective students came to view the accomplishments of the Mendel Men at their annual open house, held December 5th.

Mr. Barber demonstrating the English Department's overhead projector; one of the many pieces of audio-visual equipment displayed.

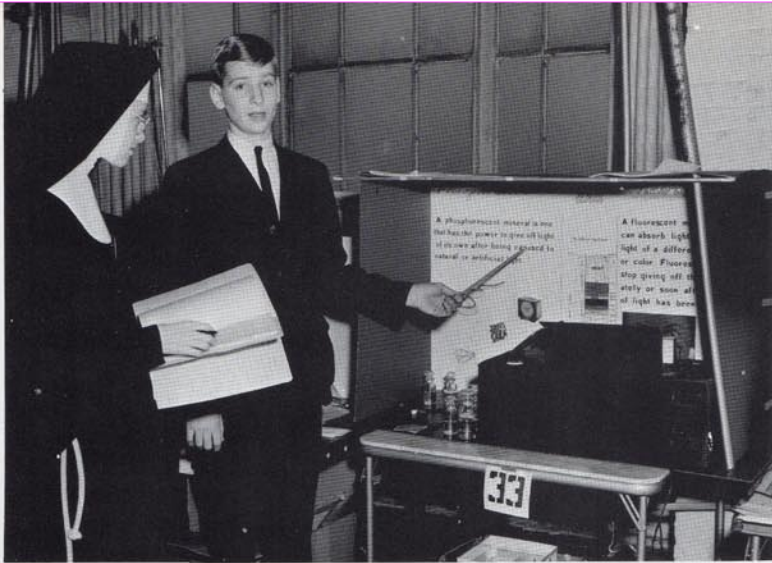

Fr. Sheehan telling the story of how the Mendelian is made.

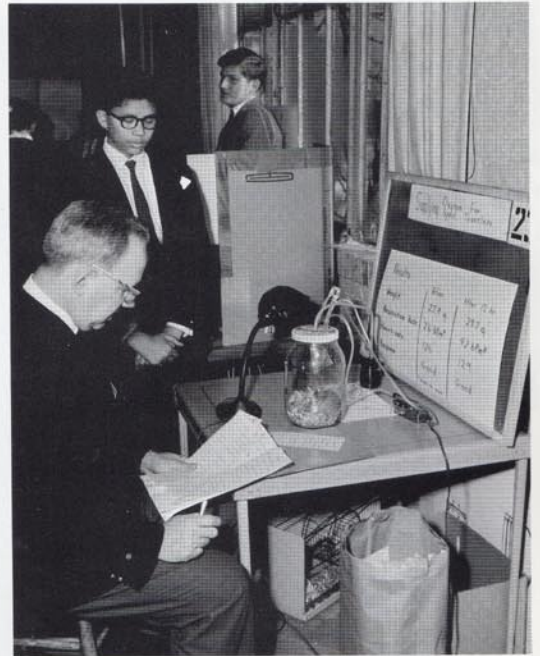

Mr. Novosel explaining nodal lines.

# Science Fair (Feb. 20)

"Yes father . . . oops, I mean sister."

Now that's what I call a mousetrap!

"Well, better luck next year."

"What do you mean what do I mean!??!"

"... and if I don't get a first, St. Rita goes up in smoke tomorrow!"

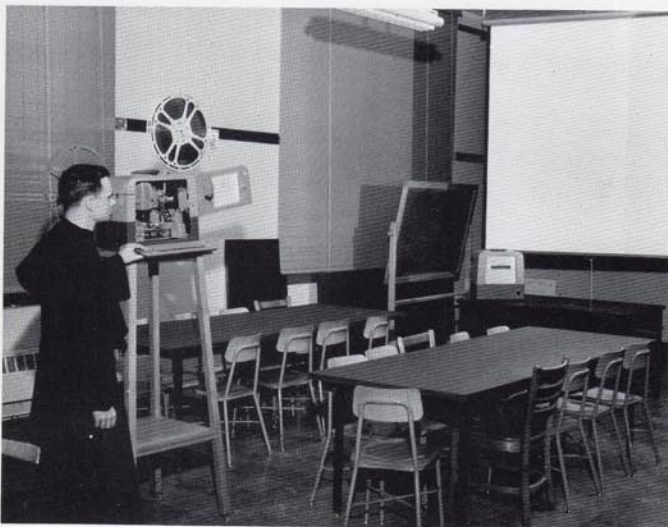

(W. Gorcowski)
