## *Our Theme*

# *Gregor Mendel*

## *Science - Religion*

In the modern world of Sputnik and I.C.B.M., the world of Science needs the solid balance of faith in God. It is the responsibility of the school to see to it that this necessary union of God and Science is impressed upon the young mind entrusted to it.

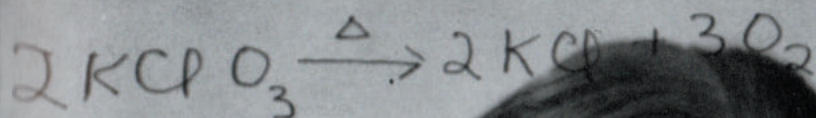

As he was in his day—Gregor Mendel, the Augustian Priest-Scientist and teacher, still stands as a model to his brother Augustinians at Mendel. Under the banner of Mendel and Augustine—Scientist and Theologian—the Augustians today at Mendel as in every school in which they teach throughout the world bring together God and His world of nature—Science. At Mendel the triangle is present, the ideal training for the young mind—The Faith—God and Augustine; Science—Mendel; The Dedicated Teacher—the Sons of Augustine, Brothers of Mendel, Children of God—the Augustian Priest.

*To Gregor Mendel O.S.A.*

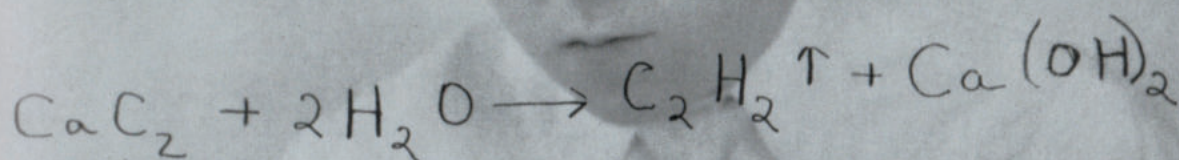

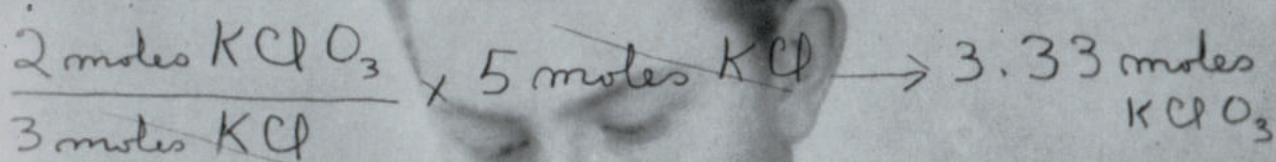

Augustinian priest, teacher, scientist.  
His Brothers in Augustine and the students of  
Mendel Catholic High School respectfully dedicate this book.

## AT MENDEL

### THE ADMINISTRATION

The people of Mendel, as any group of people, look to the leaders of the group for guidance. Under the guidance of Our Administration Mendel has advanced far in every phase of Education. Striving always to carry out the Augustinian Philosophy of Education they have worked diligently to lead the People of Mendel to its goal—the education of young Catholic men.

Seated—left to right: Fr. J. McNabb, O.S.A., Fr. F. J. Cavanaugh, O.S.A., rector, Fr. R. Verstynen, O.S.A., Fr. E. Grace, O.S.A., Fr. F. Winn, O.S.A. Standing: Fr. J. Gavin, O.S.A., Fr. J. Lyne, O.S.A.

Very Reverend John L. Seary, O.S.A.  
Prior Provincial of the  
Augustinian Province of Our Mother of Good Counsel

## *Our Leader*

When the history of Mendel is written, without doubt one name will stand out above all others—Father Seary

Today the Founder of Mendel is the Provincial of the Augustinian Order of Our Mother of Good Counsel. His life is one made up of great things—great accomplishments and still greater dreams of things to come for the Order. Among his many accomplishments are the Founding of Mendel, Head of Casia Hall in Tulsa, Oklahoma, First Prior of St. Monica's Seminary, Rector, St. Thomas High School, Rockford, Illinois. His life has been and is dedicated to Christ in the Service of His Church.

Today his greatest dream is soon to become an accomplishment with the opening of the Provinces Major Seminary. In the Seminary his love and work for youth will be carried to a crowning point—The Education of "his boys" to God's Holy Priesthood.

## *The Leaders of Mendel*

The Leadership of Mendel falls on the very capable shoulders of two Augustinians, long experienced in the field of Education. Our Rector, Rev. Francis J. Cavanaugh O.S.A. has done a great deal for Mendel since he was appointed Rector to succeed Fr. Seary. His constant concern is the advancement of Mendel in all phases of learning. He is always striving to improve the teaching, direction, and overall education of all the young men entrusted to his care.

Very Rev. Fredrick Winn O.S.A. is the Prior of Mendel. He is the religious superior of the Augustinian foundation. On his shoulders falls the responsibility for the success of the great work the Augustinians have undertaken in the Rose-land area.

To both of these Mendel will always be grateful for their very unselfish work for God, the Augustinian Order and Catholic Youth.

## **The Senior Class Officers**

Left to right: President, R. Napoli; Vice-Pres., C. Dreas; Treasurer, E. Bohan; Secretary, S. Cutrara.

## **The Seniors**

The Class of fifty-eight enters into the ranks of Mendel Alumni. To those who remain behind the class of fifty-eight should be a great example of what a senior class should be. These men have left a record which should be the envy of every class that follows them. They were outstanding in every way, scholastically, athletically and spiritually. Three of them were finalists in the National Merit Scholarship Program and one of them won a full scholarship in the same program. To the seniors we bid a fond farewell and these two words, "Well Done."

## *Our School Auxiliaries*

Among the people at Mendel that we depend on for a great deal of help are the various parents organizations. The pictures appear around the page clockwise of The Mendel Music Association, The Mendel Mother's Club and The Mendel Father's Club. To all of them Mendel wishes to express her heartfelt thanks and to say you are so welcome in our family. It is not possible to express the great good these people accomplish for Mendel both in spirit and financially.

# The Alumni Association

As the name designates, membership in the association is composed of graduates of the school. The purpose of the association is to foster Catholic ideals in its members and to promote the welfare of the school. Active members receive monthly the Newsletter and are remembered monthly in a Mass offered for members. Their annual Banquet is the highlight of the season and is enjoyed by all the men of the Alumni.

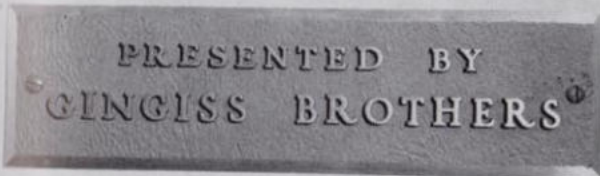

Benefactors to private schools are absolutely essential. Our tuition does not pay our bills and if it were not for annual assistance from such men as have been memorialized in Mendel, we should be forced to raise our tuition by at least 25% and since our good parents are unable to pay this amount, it is necessary for us to depend on such generous benefactions as are always forthcoming from such spirited citizens. To try to thank them for gratitude is the very minimum expected from those who receive such wonderful and substantial help.

Among our good friends and benefactors, we number a man who is now deceased, but Mr. Morris B. Sachs, Sr. was a really true friend of Mendel. While his interest in our school is memorialized in our school cafeteria, we ask our students and their parents to say a silent prayer for our former benefactor. God bless Mr. Sachs.

For many years Mendel shopped around for its tuxedos and formal wear but last year when funds were needed for an office, the Gingiss Brothers through their representative, Dewitt Jones, presented Mendel with the beautiful office you see at the end of the east Corridor. We do thank them and we hope you will appreciate their kindness.

Much is said today about education and it is refreshing to be able to report that while this man has proved his interest in our community and in our city long ago, he has been of great substantial assistance to Mendel each and every year. Our good parents should signify this in paying their bills by simply adding with their own hand writing "We thank you, Mr. Gately!" It would be a splendid gesture to pray for his beloved and departed wife.

## AT MENDEL

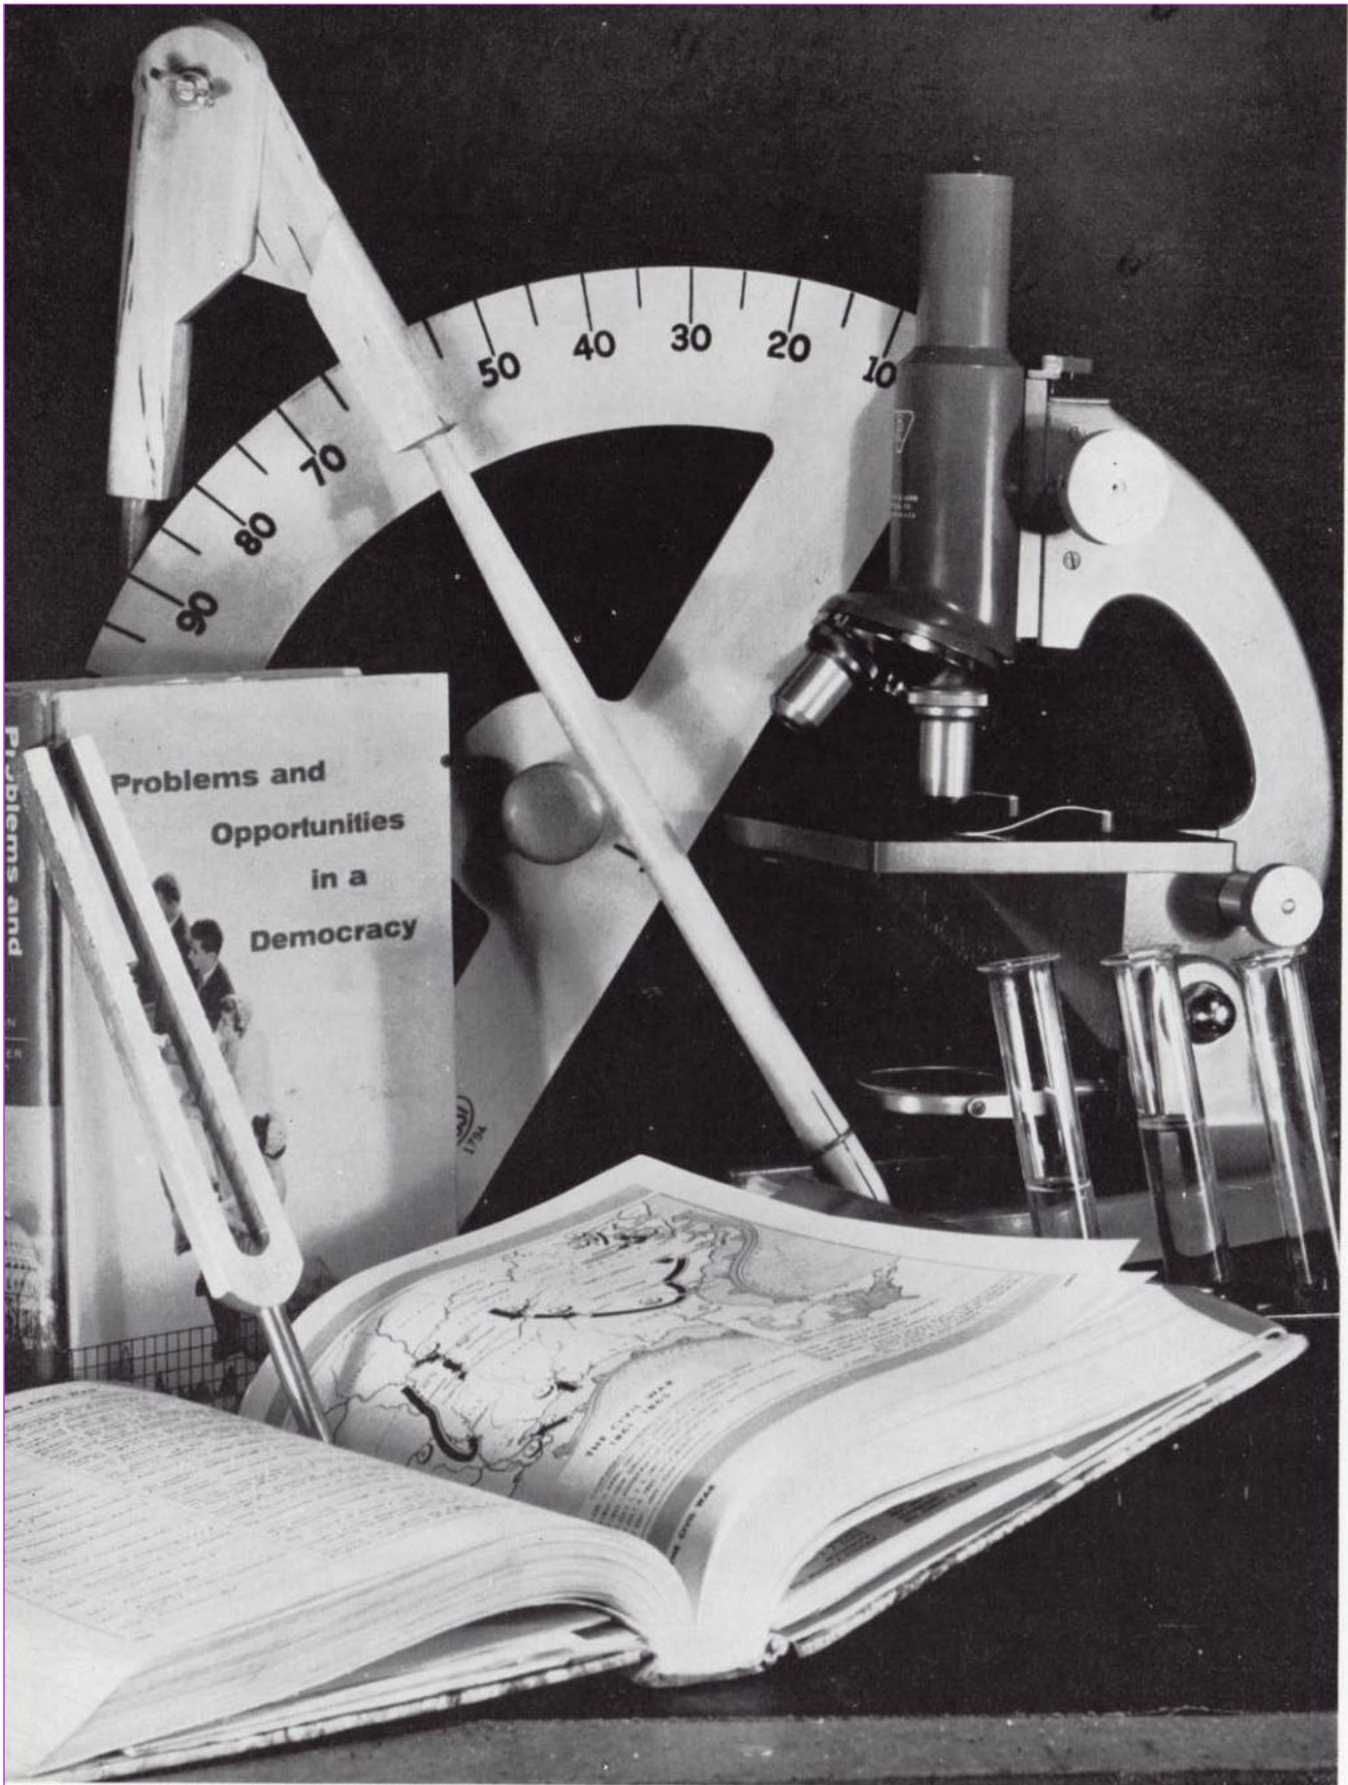

### GOD AND SCIENCE

So often in this world of ours people try to divorce the life of science from the life of God. However, to the truly great scientist this cannot be done. The life dedicated to scientific education cannot be separated from the one who gave man science. And therefore, at Mendel all life centers about one place, the altar and the tabernacle. The Men of Mendel bring their life to the foot of God's altar and from there look forward to the future.

## The Academic Life of Mendel

Fr. Verstynen counsel members of the honors course about their future.

The high scholastic standards of the academic program of Mendel Catholic high school are designed basically to help each individual student realize his final destiny — God Himself.

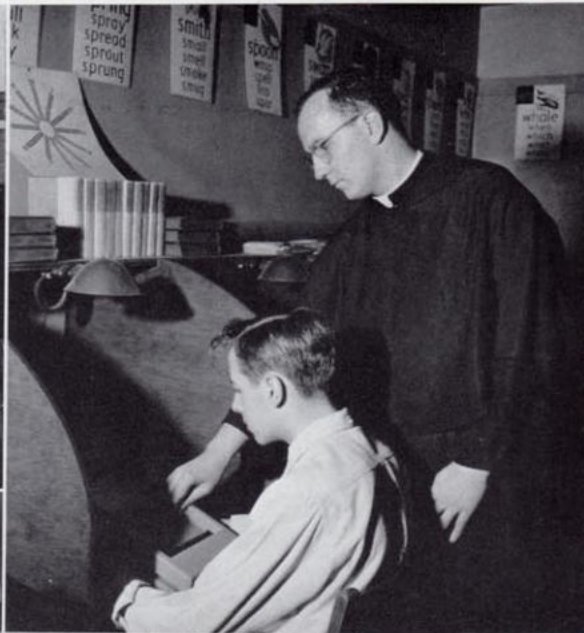

Therefore, we provide an administration, faculty, curriculum, methods of instruction so designed that they enable each student to attain his maximum capacity for learning. Thus, by enlightening his mind and strengthening his will he learns not only about his creator and final end but about those things that will aid him in that pursuit.

Every student is afforded an opportunity to realize fully all his abilities, aptitudes and interests. However, in keeping with the present demand of our country to select outstanding students for particular areas of learning we have instituted our Honors course. Therein, those "gifted" students are enabled to enrich their educational opportunities through absorbing and utilizing a program designed to fit them for the immediate needs of our country.

Our entire program of studies is so designed that it will meet the most stringent of college requirements, and provide a broad basic education to meet all his needs.

# Our Reading Course

A few years ago Fr. Robert Burns, who was ill when these pictures were taken, inaugurated the reading program at Mendel. This work is recognized in the field of education as being of extreme importance to students. The Boys receive both group and private instruction with the latest instruments for developing the extremely necessary skill of reading.

## Religious Life

### Religious Life

The religious life of the student at Mendel is of primary importance. The whole program at Mendel is intended to culminate in the education of the whole man. It is the belief of Mendel that man's relation to God is the most important phase of his life and this relationship enters into every activity here. However, it is in the chapel with Christ, The Teacher, that the greatest lessons are taught.

Ed Bohan brilliantly returned the kick-off 92 yards for a tremendous T.D. Withe Mendel behind 7-6, Bob Dunphy charged through the Leo line and blocked a kick that fell out of the end zone. ## MENDEL 19 — ST. GEORGE 13

For the second time in their short gridiron history, the Magnificent Mendel Monarchs came to Soldier Field. This time the Catholic League title was at stake and the foe was a highly regarded St. George team, the same team that had soundly knocked Mendel out of the play-offs two years previously. The Dragons gave evidence of their prowess by outplaying the Monarchs statistically, but spirit and determination, the qualities that had taken Mendel to the playoffs, came to the fore and a come-from-behind rally saw the Monarchs triumph 19 to 13.

**MENDEL 6 — CALUMET 0**

A bitterly cold day saw the Magnificent Mendel Monarchs and the Calumet Indians meeting to decide the Chicago Prep Football Champion of 1957. The Indians, with a record of 11 straight victories, were making their second consecutive appearance in the City game and were slight favorites over Mendel. The Monarchs, however, took the initiative and the game developed into a tough, hard-fought contest. A tie seemed inevitable when, with two seconds remaining, a desperation pass was caught in the end-zone giving the Mendel-Men a thrilling victory and their first City Championship.

Our school newspaper, the Mendelian, functions as a testing site where experience in journalism can be gained, and as a mirror which reflects and records the panorama of events occurring at Mendel. The Mendelian was revised considerably this year.

The staff is extremely proud of the '58 Mendel. This, the fourth volume, is the result of many long hours of work throughout the preceding months. We would like to express our gratitude to Fr. Flynn, our moderator, who so ably guided us and supplied many ideas, to Mr. Milton Snyder who turned our ideas into pictures for everyone to see and to Mr. Leander Haggerty, our Publisher, for his untiring efforts. We hope this book will be treasured by the fourth graduating class as a symbol and a place to look back upon the golden memories of life at Mendel.

## Junior Week 1958

The juniors join their Mothers before the altar in thanks and petition.

Fr. Winn delivered the sermon to the juniors and their Mothers.

Proud juniors show prouder Fathers their class rings.

Fr. O'Rourke meets with the juniors for the big night.

Look, Father, I bet I can pull that down.

My fair Lady, and I could have danced all night are their thoughts.

Almost as an assertion of the fact that they are about to become Seniors early in May the Junior class stages the wonderful Junior Week. Starting off with the Mother's and Son's Mass and Communion Breakfast, they move on to the Dad's nights and class rings and it all ends with the big Junior Prom.

# *The Senior Prom*

Soft lights and sweet music—beautiful girls—the handsome Mendel Men—all these add up to the night of nights—the Senior Prom. This is the prom that everyone waits for. May 14th was the date—the Morrison Hotel was the place. It will live long in the memories of all the Seniors.

# The Principal's Ball

Once again this year O Henry Ballroom was the scene of the annual Principal's Ball. The Ball is the highlight of the social season for the Mendel family. The Principal's Dinner for the honored guests; the crowning of the Queen and her court, the grand drawing for the annual raffle—all of these add up to a wonderful evening for Faculty—Parents—Friends and Students.

# Sisters' Day

## SISTERS' DAY

Once each year we invite the Sisters from the area's schools to come to Mendel. We appreciate all the Sisters do for education and we want them to know what we have to offer their charges at Mendel. The day ends with a luncheon and entertainment.

## Ordinations

On February 9th for the first time four young men were ordained Priests for the Order of St. Augustine. It is the hope of Mendel that many of her sons will one day be ordained here.

# The Seminary Drive

The problem of providing the priest teachers of the future is one of great importance. This is done in our seminaries. However, to build a seminary is a tremendous expense. It is only through the efforts of our very generous friends with their time, money and prayers that this project is made possible. To all the friends of who were so generous to the Augustinians and to Mr. Donald Monks, the director of the drive, go the prayers and thanks of all the Augustinians.

Fr. Cavanaugh addresses the first meeting of the drive.

Mr. Monks and his faithful secretaries look pleased with the returns.

The friends of Mendel help with the ground breaking after Fr. Seary.

These are the men who with their time and energy made the drive a success.

## *The Spirit of Mendel*

What makes a City Champion? A Secret weapon is the answer. It is papers that coin phrases as "The Magnificent Mendel Monarchs." It is men like Mr. James Gately giving his time to be with us for our Homecoming. It is Miss Chicago coming from New York to cheer on Mendel. All this plus the cheers and prayers of the whole Roseland area brought Mendel to Soldier's Field and that last two seconds that gave us the crown. But, more than football is contained in this for the spirit that gave Mendel it's first championship is the spirit of the entire life of Mendel. It is the spirit of Chicago itself—"I WILL."
