- MAA supports the fellowship of Mendel men and their families and friends, spreading the love of and respect for our neighbors wherever they live;
  - We happily acknowledge the guidance provided by the Augustinians in our transition from boys to men and celebrate the successes, contributions and sacrifices of Mendel Alumni and their families;
  - We recognize and thank our Mendel Family Veterans; we remember and mourn veterans and first responders who made the ultimate sacrifice;
  - We cherish and tangibly support the new generations of boys and girls who through the passion of teachers, mentors and family make their own journey to thriving men and women;
  - We embody "we will fight and fight and fight until our battle to be God's children is won, we've got to reach our goal to promote family, and loyal we will always be!"
- ⇒ **Your contributions provide the necessary funds to financially support high school students, support aging Augustinians and help our all-volunteer organization in our efforts.**
